[Budget and Legislative Analyst Limited Scope Performance Audit of the San Francisco Municipal Transportation Agency to Determine its Effectiveness]

Motion directing the Budget and Legislative Analyst to conduct a limited scope performance audit of the San Francisco Municipal Transportation Agency (SFMTA) to determine if the SFMTA is operating in the most efficient, effective, and economical manner in establishing and collecting revenues and in managing expenditures.

WHEREAS, It is the policy of the Board of Supervisors that each program of the City and County of San Francisco be the subject of a performance or management audit at least once every eight years; and

WHEREAS, The last management audit conducted by the Budget Analyst of the Municipal Railway was completed in July 1996; and

WHEREAS, The function of regular audits is to ensure that city departments and agencies make prudent and efficient use of city resources and also effectively perform the functions assigned to them by the charter and applicable laws; and

WHEREAS, Rule 6.18 of the Rules of Order outlines the criteria to be used in developing the proposed audit schedule, and those priorities include programs that have never undergone a management audit as well as programs that have gone the longest period of time since their last management audit; and

WHEREAS, The SFMTA faces increases in fares and reductions in service for the next fiscal year and the Board of Supervisors now directs the Budget and Legislative Analyst to evaluate the effectiveness of the SFMTA in managing revenues and expenditures; now, therefore, be it

MOVED, That the Budget and Legislative Analyst is hereby directed to conduct a limited scope performance audit, in order to determine if the SFMTA's management of its

revenues and expenditures are being accomplished in the most efficient, effective, and economical manner; and, be it

FURTHER MOVED, That the Budget and Legislative Analyst will submit a performance audit report to the Board of Supervisors by no later than May 1, 2010, identifying the findings and the related recommendations for purposes of improving the efficiency, effectiveness, and economy of the SFMTA.
