10 use of approved CFC recycling systems to persons trained in accordance with this
11 Article.

12 (g) Permits shall be prominently displayed on the premises of every establishment

12 Consumer Price Index, without further action by the Board of Supervisors. In adjusting
13 the fees, the Controller may round these fees up or down to the nearest dollar, half-
14 dollar or quarter-dollar. The Director shall perform an annual review of the fees
15 scheduled to be assessed for the following fiscal year and shall file a report with the
16 Controller no later than May 1st of each year, proposing, if necessary, an adjustment to
17 the fees to ensure that costs are fully recovered and that fees do not produce
18 significantly more revenue than required to cover the costs of operating the program.
19 The Controller shall adjust fees when necessary in either case.
