2 Except as provided in Section 415.5(g), all development projects subject to this
3 Program shall be required to pay an Affordable Housing Fee subject to the following
4 requirements:

5 (a) **Payment of a Fee.** Payment of a fee to the Development Collection Unit at DBI for
6 deposit into the Citywide Affordable Housing Fund for the purposes of that Fund.

7 (b) **Amount of Fee.** The amount of the fee which may be paid by the project sponsor
8 subject to this Program shall be determined by MOH utilizing the following factors:

9 (1) The number of units equivalent to the applicable off-site percentage of the number
10 of units in the principal project. The applicable percentage shall be 20 percent or the
11 percentage that applied to the project if the project is subject to the requirements of an earlier
12 version of this Program due to the date it submitted its application or that percentage required in
13 certain Special Use Districts or Area Plans. For the purposes of this Section, the City shall
14 calculate the fee using the direct fractional result of the total number of units multiplied by the
15 applicable percentage, rather than rounding up the resulting figure as required by Section
16 415.6(a).

17 (2) The affordability gap using data on the cost of construction of residential housing
18 and the Maximum Purchase Price for the equivalent unit size. from the "San Francisco Sensitivity

20 Inc. in August 2006 for the Maximum Annual Rent or Maximum Purchase Price for the equivalent unit

22 from the "San Francisco Inclusionary Housing Program Financial Analysis 2012" prepared by Seifel
23 Consulting. The Department and MOH shall update the technical report from time to time as
24 they deem appropriate in order to ensure that the affordability gap remains current.
25

1 (3) ~~Commencing on January 1, 2012, no~~ No later than January 1 of each year following the
2 effective date of this Ordinance No. _____, MOH shall adjust the fee. No later than

5 adjustment to the fee so that it can be included in the Planning Department's and DBI's
6 website notice of the fee adjustments and the Controller's Annual Citywide Development Fee
7 and Development Impact Requirements Report described in Section 409(b). MOH is
8 authorized to develop an appropriate methodology for indexing the fee, based on adjustments
9 in the costs of constructing housing and the Maximum Purchase Price for the equivalent unit size in
10 the price of housing in San Francisco. The method of indexing shall be published in the
11 Procedures Manual.

12 ...

13 (e) If a housing project is located in an Area Plan with an additional or specific

15 and 417, and 419 or elsewhere in this code, the more specific provisions shall apply in lieu of or
16 in addition to those provided in this Program, as applicable.

17 ...

18 (g) **Alternatives to Payment of Affordable Housing Fee.**

19 (1) **Eligibility:** A project sponsor must pay the Affordable Housing Fee unless it
20 qualifies for and chooses to meet the requirements of the Program through an Alternative
21 provided in this Subsection. The project sponsor may choose one of the following
22 Alternatives:

23 (A) **Alternative #1: On-Site Units.** Project sponsors may elect to construct units
24 affordable to qualifying households on-site of the principal project pursuant to the
25 requirements of Section 415.6.

1 (B) **Alternative #2: Off-Site Units.** Project sponsors may elect to construct units
2 affordable to qualifying households at an alternative site within the City and County of San
3 Francisco pursuant to the requirements of Section 415.7.

4 (C) **Alternative #3: Combination.** Project sponsors may elect any combination of
5 payment of the Affordable Housing Fee as provided in Section 415.5, construction of on-site
6 units as provided in Section 415.6, or construction of off-site units as provided in Section
7 415.7, provided that the project applicant constructs or pays the fee at the appropriate
8 percentage or fee level required for that option.

9 (2) **Qualifications:** If a project sponsor wishes to comply with the Program through one
10 of the Alternatives described in (1) rather than pay the Affordable Housing Fee, they must
11 demonstrate that they qualify for the Alternative to the satisfaction of the Department and
12 MOH. A project sponsor may qualify for an Alternative by the following methods:

13 (i) **Method #1 - Ownership Units.** All affordable units provided under this Program
14 shall be sold as ownership units and will remain ownership units for the life of the project.
15 Project sponsors must submit the 'Affidavit *of Compliance with the Inclusionary Affordable*
16 *Housing Program to Establish Eligibility for an Alternative to Affordable Housing Fee*' to the
17 Planning Department prior to project approval by the Department or the Commission; or

18 (ii) **Method #2 - Government Financial Contribution.** Submit to the Department a
19 contract demonstrating that the project's on- or off-site units are not subject to the Costa
20 Hawkins Rental Housing Act, California Civil Code Section 1954.50 because, under Section
21 1954.52(b), it has entered into an agreement with a public entity in consideration for a direct
22 financial contribution or any other form of assistance specified in California Government Code
23 Sections 65915 et seq. and it submits an Affidavit of such to the Department. All such
24 contracts entered into with the City and County of San Francisco must be reviewed and
25 approved by the Mayor's Office Housing and the City Attorney's Office. All contracts that

1 involve 100% affordable housing projects in the residential portion may be executed by the
2 Mayor or the Director of the Mayor's Office of Housing. Any contract that involves less than
3 100% affordable housing in the residential portion, may be executed by either the Mayor, the
4 Director of the Mayor's Office of Housing or, after review and comment by the Mayor's Office
5 of Housing, the Planning Director; ~~or. A Development Agreement under California Government~~
6 ~~Code Section 65864 et seq. and Chapter 56 of the San Francisco Administrative Code entered into~~
7 ~~between a project sponsor and the City and County of San Francisco may, but does not necessarily,~~
8 ~~qualify as such a contract.~~

9 ~~(iii) Method #3 – Development Agreement. A project sponsor may apply to enter into a~~
10 ~~Development Agreement with the City and County of San Francisco under California Government~~
11 ~~Code Section 65864 et seq. and Chapter 56 of the San Francisco Administrative Code, permitting the~~
12 ~~project to be eligible for on-site units as an alternative to payment of the Affordable Housing Fee to~~
13 ~~satisfy the requirements of the Program and obligating the project sponsor to provide the affordable~~
14 ~~units on-site.~~

15 (3) The Planning Commission or the Department may not require a project sponsor to
16 select a specific Alternative. If a project sponsor elects to meet the Program requirements
17 through one of the Alternatives described in (1), they must choose it and demonstrate that
18 they qualify prior to any project approvals from the Planning Commission or Department. The
19 Alternative will be a condition of project approval and recorded against the property in an
20 NSR. Notwithstanding the foregoing, if a project sponsor qualifies for an Alternative described
21 in (1) and elects to construct the affordable units on- or off-site, they must submit the 'Affidavit
22 ~~of Compliance With The Inclusionary Housing Program' to Establish Eligibility for an Alternative to~~
23 ~~Affordable Housing Fee'~~ based on the fact that the units will be sold as ownership units. A ~~The~~
24 project sponsor who has elected to construct affordable ownership units on- or off-site may
25 only elect to pay the Affordable Housing Fee up to the issuance of the first construction

1 document if the project sponsor submits a new Affidavit establishing that the units will not be
2 sold as ownership units. If a project sponsor fails to choose an Alternative before project
3 approval by the Planning Commission or Planning Department or if a project becomes
4 ineligible for an Alternative, the provisions of Section 415.5 shall apply.

5 (4) If at any time, the project sponsor eliminates the on-site or off-site affordable
6 ownership-only units, then the project sponsor must immediately inform the Department and
7 MOH and pay the applicable Affordable Housing Fee plus interest and any applicable
8 penalties provided for under this Code. If a project sponsor requests a modification to its
9 conditions of approval for the sole purpose of complying with this Section, the Planning
10 Commission shall be limited to considering issues related to Section 415 et seq. in
11 considering the request for modification.

12

14 selected portions of Section 415.6, to read as follows:

23 condition of approval of a Conditional Use Authorization or Planned Unit Development or as a
24 condition of Department approval of a live/work project, that 12 percent of all units constructed on the
25 project site shall be affordable to qualifying households so that a project sponsor must construct .12

1 times the total number of units produced in the principal project. If the total number of units is not a
2 whole number, the project sponsor shall round up to the nearest whole number for any portion of .5 or
3 above.

4 **(2A) Specific Geographic Areas.** For any housing development ~~of any height~~ that is
5 located in an area with a specific affordable housing requirement set forth in a Special Use
6 District or in any other section of the Code such as Section 416, and 417, or 419, the more specific
7 housing requirement shall apply as long as it is consistent with Charter Section 16.110; or

8 ~~(B) Buildings 120 feet in height and under or buildings of over 120 feet in height that do not~~
9 ~~meet the criteria in subsection (C) below. Except as provided in Subsection (C) below, the Department~~

17 ~~(C) Buildings of over 120 feet in height. Except as provided in subsection (A) above, the~~
18 ~~requirements of this Subsection shall apply to any project that is over 120 feet in height and does not~~
19 ~~require a Zoning Map amendment or Planning Code text amendment related to its project approvals~~
20 ~~which (i) results in a net increase in the number of permissible residential units, or (ii) results in a~~
21 ~~material increase in the net permissible residential square footage as defined in Section 415.3(b)(2) or~~
22 ~~has not received or will not receive a Zoning Map amendment or Planning Code text amendment as~~
23 ~~part of an Area Plan adopted after January 1, 2006 which (i) results in a net increase in the number of~~
24 ~~permissible residential units, or (ii) results in a material increase in the net permissible residential~~
25 ~~square footage as defined in Section 415.3(b)(2). The Department shall require for housing projects~~

1 covered by this Subsection and Section 415.3(a)(1), as a condition of Department approval of a
2 project's building permit, or by this Subsection and by Section 415.3(a)(2), (3) and (4), as a condition
3 of approval of a Conditional Use Authorization or Planned Unit Development or as a condition of
4 Department approval of a live/work project, that 12 percent of all units constructed on the project site
5 shall be affordable to qualifying households so that a project sponsor must construct 12 times the total
6 number of units produced in the principal project. If the total number of units is not a whole number,
7 the project sponsor shall round up to the nearest whole number for any portion of .5 or above.
8 Consistent with the conclusions of the MOH study authorized in Section 415.9(e), MOH shall
9 recommend and the Board of Supervisors shall consider whether the requirements of this Subsection
10 for buildings of over 120 feet in height shall continue or expire after approximately five years from
11 April 24, 2007.

12 (23) If the principal project has resulted in demolition, conversion, or removal of
13 affordable housing units renting or selling to households at income levels and/or for a rental
14 rate or sales price below corresponding income thresholds for units affordable to qualifying
15 households, the Commission or the Department shall require that the project sponsor replace
16 the number of affordable units removed with units of a comparable number of bedrooms or
17 provide that ~~15~~ 12 percent of all units constructed as part of the new project shall be affordable
18 to qualifying households, whichever is greater.

19 (4) Already Approved Projects. Charter Section 16.110(g)(3) contains procedures for certain
20 projects that have been approved but that have not received their first construction document as
21 defined in Section 107A.13.1 of the San Francisco Building Code by January 1, 2013 to modify their
22 conditions of approval under limited circumstances.

23 . . .

24 (c) **Type of Housing:** All on-site units constructed under this Section must be provided
25 as ownership units unless the project sponsor meets the eligibility requirement of Section

1 415.5(g). All on-site units must be Affordable to Qualifying Households. In general, affordable
2 units constructed under this Section 415.6 shall be comparable in number of bedrooms,
3 exterior appearance and overall quality of construction to market rate units in the principal
4 project. A Notice of Special Restrictions shall be recorded prior to issuance of the first
5 construction document and shall specify the number, location and sizes for all affordable units
6 required under this Subsection. The interior features in affordable units should be generally
7 the same as those of the market rate units in the principal project, but need not be the same
8 make, model or type of such item as long as they are of good and new quality and are
9 consistent with then-current standards for new housing. The square footage of affordable
10 units do not need to be same as or equivalent to those in market rate units in the principal
11 project, so long as it is consistent with then-current standards for new housing. Where
12 applicable, parking shall be offered to the affordable units subject to the terms and conditions
13 of the Department's policy on unbundled parking for affordable housing units as specified in
14 the Procedures Manual and amended from time to time. On-site affordable units shall be
15 ownership units unless the project applicant meets the eligibility requirement of Section
16 415.5(g).

17 . . .

18 (e) Individual affordable units constructed under Section ~~415.6~~ 415.5 as part of an on-
19 site project shall not have received development subsidies from any Federal, State or local
20 program established for the purpose of providing affordable housing, and shall not be counted
21 to satisfy any affordable housing requirement. Other units in the same on-site project may
22 have received such subsidies. In addition, subsidies may be used, only with the express written
23 permission by MOH, to deepen the affordability of an affordable unit beyond the level of
24 affordability required by this Program.

1 (f) Notwithstanding the provisions of Section 415.6(e) above, a project may use California Debt
2 Limit Allocation Committee (CDLAC) tax-exempt bond financing and 4% tax credits under the Tax
3 Credit Allocation Committee (TCAC) to help fund its obligations under this ordinance as long as the
4 project provides 20 percent of the units as affordable to households at 50 percent of Area Median
5 Income for on-site housing. The income table to be used for such projects when the units are priced at
6 50 percent of Area Median Income is the income table used by MOH for the Inclusionary Affordable
7 Housing Program, not that used by TCAC or CDLAC. Except as provided in this subsection, all units
8 provided under this Section must meet all of the requirements of this ordinance and the Procedures
9 Manual for on-site housing.

10 (gf) **Benefits:** If the project sponsor is eligible for and elects to satisfy the affordable
11 housing requirements through the production of on-site affordable housing in this Section
12 415.6, the project sponsor shall be eligible to receive a refund for only that portion of the
13 housing project which is affordable for the following fees: a Conditional Use Authorization or
14 other fee required by Section 352 of this Code, if applicable; an environmental review fee
15 required by Administrative Code Section 31.46B, if applicable; a building permit fee required
16 by the Building Code and by Section 355 of this Code for the portion of the housing project
17 that is affordable. The project sponsor shall pay the building fee for the portion of the project
18 that is market-rate.

19 The Controller shall refund fees from any appropriated funds to the project sponsor on
20 application by the project sponsor. The application must include a copy of the Certificate of
21 Occupancy for all units affordable to a qualifying household required by the Inclusionary
22 Housing Program. It is the policy of the Board of Supervisors to appropriate money for this
23 purpose from the General Fund.

1 Section 6: The San Francisco Planning Code is hereby amended by amending
2 selected portions of Section 415.7, to read as follows:

3 **SEC. 415.7. OFF-SITE AFFORDABLE HOUSING ALTERNATIVE.**

4 If the project sponsor is eligible and selects pursuant to Section 415.5(~~gf~~) to provide off-
5 site units to satisfy the requirements of Section 415.1 et seq., the project sponsor shall notify the
6 Planning Department and MOH of its intent as early as possible. The Planning Department and MOH
7 shall provide an evaluation of the project's compliance with this Section prior to approval by the
8 Planning Commission or Planning Department. ~~T~~he development project shall meet the following
9 requirements:

10 (a) **Number of Units:** The number of units constructed off-site shall be as follows:

11 (1) (A) For any housing development of any height that is located in an area with a
12 specific affordable housing requirement, set forth in Sections ~~416, 417, 419~~, or elsewhere in this
13 Code, the more specific off-site housing requirement shall apply.

14 (B) Buildings of 120 feet and under in height or buildings of over 120 feet in height that
15 do not meet the criteria in Subsection (C) below: Except as provided in Subsection (A), the
16 Department shall require for housing projects described in Section 415.3(a)(1), (2), (3), and
17 (4) 20 percent so that a project applicant must construct .20 times the total number of units
18 produced in the principal project. If the total number of units is not a whole number, the project
19 applicant shall round up to the nearest whole number for any portion of .5 or above.

20 (C) Buildings of over 120 feet in height. Except as provided in subsection (A) above,
21 the requirements of this Subsection shall apply to any project that is over 120 feet in height
22 and does not require a Zoning Map amendment or Planning Code text amendment related to
23 its project approvals which (i) results in a net increase in the number of permissible residential
24 units, or (ii) results in a material increase in the net permissible residential square footage as
25 defined in Section 415.3(b)(2); or has not received or will not receive a Zoning Map

1 amendment or Planning Code text amendment as part of an Area Plan adopted after January
2 1, 2006 which (i) results in a net increase in the number of permissible residential units, or (ii)
3 results in a material increase in the net permissible residential square footage as defined in
4 Section 415.3(b)(2). The Department shall require for housing projects covered by this
5 Subsection and Section 415.3(a)(1), as a condition of Planning Department approval of a
6 project's building permit, or by this Subsection and by Section 415.3(a)(2), (3) and (4), as a
7 condition of approval of a Conditional Use Authorization or Planned Unit Development or as a
8 condition of Department approval of a live/work project, that 17 percent of all units constructed
9 on the project site shall be affordable to qualifying households so that a project sponsor must
10 construct .17 times the total number of units produced in the principal project. If the total
11 number of units is not a whole number, the project sponsor shall round up to the nearest
12 whole number for any portion of .5 or above. Consistent with the conclusions of the MOH
13 study authorized in Section 415.9(e), MOH shall recommend and the Board of Supervisors
14 shall consider whether the requirements of this Subsection for buildings of over 120 feet in
15 height shall continue or expire after approximately five years from April 24, 2007.

16 (b) **Timing of Construction:** The project sponsor shall insure that the off-site units are
17 constructed, completed, ready for occupancy, and marketed no later than the market rate
18 units in the principal project. In no case shall the Principal Project receive its first certificate of
19 occupancy until the off-site project has received its first certificate of occupancy.

20 (c) **Location of off-site housing:** The project sponsor must insure that off-site units
21 are located within one mile of the principal project.

22 (d) **Type of Housing:** All off-site units constructed under this Section must be provided
23 as ownership housing for the life of the project unless the project applicant meets the eligibility
24 requirement of Section 415.5(g). and, If offered for ownership, all off-site units must be affordable
25 to households earning no more than 70 percent of the AMI, or if offered for rent, Affordable to

1 Qualifying Households at the rental level. Nothing in this Section shall limit a project sponsor
2 from meeting the requirements of this Section through the construction of units in a limited
3 equity or land trust form of ownership if such units otherwise meet all of the requirements for
4 off-site housing. In general, affordable units constructed under Section 415.7 shall be
5 comparable in number of bedrooms, exterior appearance and overall quality of construction to
6 market rate units in the principal project. The total square footage of the off-site affordable
7 units constructed under Section 415.7 shall be no less than the calculation of the total square
8 footage of the on-site market-rate units in the principal project multiplied by the relevant on-
9 site percentage requirement for the project specified in Section 415.7. The Notice of Special
10 Restrictions or conditions of approval shall include a specific number of units at specified unit
11 sizes - including number of bedrooms and minimum square footage - for affordable units. The
12 interior features in affordable units should generally be the same as those of the market rate
13 units in the principal project but need not be the same make model or type of such item as
14 long as they are of new and good quality and are consistent with then-current standards for
15 new housing and so long as they are consistent with the "Quality Standards for Off-Site
16 Affordable Housing Units" found in the Procedures Manual. Where applicable, parking shall
17 be offered to the affordable units subject to the terms and conditions of the Department's
18 policy on unbundled parking for affordable housing units as specified in the Procedures
19 Manual and amended from time to time. If the residential units in the principal project are
20 live/work units which do not contain bedrooms or are other types of units which do not contain
21 bedrooms separated from the living space, the off-site units shall be comparable in size
22 according to the following equivalency calculation between live/work and units with bedrooms:

23 24 25	Number of Bedrooms (or, for live/work units	Number of Persons in
----------------	--	-------------------------

square foot equivalency	Household
0 (Less than 600 square feet)	1
1 (601 to 850 square feet)	2
2 (851 to 1,100 square feet)	3
3 (1,101 to 1,300 square feet)	4
4 (More than 1,300 square feet)	5

...

(f) Individual affordable units constructed as part of a larger off-site project under Section 415.7 shall not receive development subsidies from any Federal, State or local program established for the purpose of providing affordable housing, and shall not be counted to satisfy any affordable housing requirement for the off-site development. Other units in the same off-site project may receive such subsidies. In addition, subsidies may be used, only with the express written permission by MOH, to deepen the affordability of an affordable unit beyond the level of affordability required by this Program.

(g) Notwithstanding the provisions of Section 415.7(f) above, a project may use California Debt Limit Allocation Committee (CDLAC) tax-exempt bond financing and 4% credits under the Tax Credit Allocation Committee (TCAC) to help fund its obligations under this ordinance as long as the project provides 25 percent of the units as affordable at 50 percent of area median income for off-site housing. The income table to be used for such projects when the units are priced at 50 percent of area median income is the income table used by MOH for the Inclusionary Housing Program, not that used by TCAC or CDLAC. Except as provided in this subsection, all units provided under this Section must meet all of the requirements of this ordinance and the Procedures Manual for off-site housing.

1 Section 7: The San Francisco Planning Code is hereby amended by amending
2 selected portions of Section 415.8, to read as follows:

3 **SEC. 415.8. DURATION AND MONITORING OF AFFORDABILITY.**

4 (a) For any units permitted under the Program:

5 (1) All units constructed pursuant to Sections 415.6 (on-site alternative) and 415.7 (off-
6 site alternative) must be owner-occupied, as defined in the Procedures Manual, in the case of
7 ownership units or occupied by qualified households in the case of rental units.

8 (2) Units shall not remain vacant for a period exceeding 60 days without the written
9 consent of MOH.

10 (3) All units constructed pursuant to Sections 415.6 and 415.7 must remain affordable
11 to qualifying households for the life of the project.

12 (4) The income levels specified in the Notice of Special Restrictions and/or conditions
13 of approval for the project shall be the required income percentages for the life of the project.

14 Notwithstanding the foregoing, if approved by MOH and as provided in the Procedures Manual, an
15 exception to the required income percentage may be made in the following cases:

16 (A) a rental unit that converts to an ownership unit, up to a maximum of 120% of AMI;

17 (B) where there is an existing tenant, the household income may increase by up to 200% of the
18 levels specified in the Notice of Special Restrictions or conditions of approval;

19 (C) new ownership units where the project sponsor has used good faith efforts to secure a
20 contract with a qualified buyer but is unable to secure such a contract in a timely manner from the
21 initiation of marketing;

22 (D) resale ownership units where the owner has used good faith efforts to secure a contract
23 with a qualified buyer but is unable to secure a buyer contract at a maximum resale price specified by
24 MOH in a timely manner; or

1 (E) the qualifying income level for new ownership units may be set at 10% above the income
2 level stated in the Notice of Special Restrictions or conditions of approval.

3 (5) The Commission or the Department shall require all housing projects subject to
4 Section 415.1 et seq. to record a Notice of Special Restrictions with the Recorder of the City
5 and County of San Francisco. The Notice of Special Restrictions must incorporate the
6 affordability restrictions. All projects described in Section 415.3(a)(1) and 415.3(a)(3) must
7 incorporate all of the requirements of this Section 415.8 into the Notice for Special
8 Restrictions, including any provisions required to be in the conditions of approval for housing
9 projects described in Section 415.3(a)(2). These Section 415.3(a)(2) projects which are
10 housing projects which go through the conditional use or planned unit development process
11 shall have conditions of approval. The conditions of approval shall specify that project
12 applicants shall adhere to the marketing, monitoring, and enforcement procedures outlined in
13 the Procedures Manual, as amended from time to time, in effect at the time of project
14 approval. The Commission shall file the Procedures Manual in the case file for each project
15 requiring inclusionary housing pursuant to this Program. The Procedures Manual will be
16 referenced in the Notice of Special Restrictions for each project.

17 (b) For any units permitted to be ownership units under the Program, the Mayor's
18 Office of Housing shall:

19 (1) establish and implement a process for reselling an affordable unit in the Procedures
20 Manual;

21 (2) provide that owners may not change title on the unit without review and approval by
22 MOH and according to guidelines published in the Procedures Manual.

23 (3) provide that owners must comply with refinancing procedures and limitations as
24 published in the Procedures Manual.
25

1 (4) provide that, in order to retain all units restricted as affordable under this Program
2 within the City's affordable housing stock, the specific procedures for passing an affordable
3 unit through inheritance are contained in the Procedures Manual. All transfers through
4 inheritance must be reviewed and approved by MOH and, in all cases, the heir must
5 acknowledge and agree to the provisions of the Program. The following households may
6 inherit the ability to occupy a unit restricted under this Program: (1) a spouse or registered
7 domestic partner, regardless of income; or (2) a child of the owner if the child is a qualifying
8 household for the unit. If the heir qualifies under one of these categories, the heir must occupy
9 the unit or the heir must market and sell the unit at the restricted price through a public lottery
10 process and retain the proceeds from the sale. If the heir does not qualify to occupy the unit,
11 the heir must market and sell the unit at the restricted price to a qualified buyer through a
12 public lottery process. The heir would retain the proceeds of such sale.

13 (5) Require that~~Any~~ affordable rental units permitted by the Commission to be converted
14 to ownership units must satisfy the requirements of the Procedures Manual, as amended from
15 time to time, including that the units shall be sold at restricted sales prices to households
16 meeting the income qualifications specified in the Notice of Special Restrictions or conditions
17 of approval, with a right of first refusal for the occupant(s) of such units at the time of
18 conversion. If the current tenant qualifies for and purchases the unit, the unit shall be sold at a sales
19 price corresponding to the affordability level required for rental units or to the affordability level for
20 the specific tenant household, whichever is higher, with a maximum allowable qualifying income level
21 up to 120% of AMI. If the unit is sold to anyone else, the sales price shall correspond to the
22 affordability level required for ownership units. Upon conversion to ownership, the units are
23 subject to the resale and other restrictions of this Program for the life of the project, as defined
24 in the Notice of Special Restrictions or conditions of approval for the Project.
25

1 (6) For ownership units approved pursuant to Sections 415.6 or 415.7, the Notice of
2 Special Restrictions or conditions of approval will include provisions restricting resale prices
3 and purchaser income levels according to the formula specified in the Procedures Manual, as
4 amended from time to time. In the case that subordination of the Affordability Conditions
5 contained in a recorded Notice of Special Restrictions may be necessary to ensure the Project
6 Applicant's receipt of adequate construction and/or permanent financing for the project, or to
7 enable first time home buyers to qualify for mortgages, the project applicant may follow the
8 procedures for subordination of affordability restrictions as described in the principal project's
9 conditions of approval or in the Procedures Manual. A release following foreclosure or other
10 transfer in lieu of foreclosure may be authorized if required as a condition to financing
11 pursuant to the procedures set forth in the Procedures Manual.

12 (7) Purchasers of affordable units shall secure the obligations contained in the Notice
13 of Special Restrictions or conditions of approval by executing and delivering to the City a
14 promissory note secured by a deed of trust encumbering the applicable affordable unit as
15 described in the Procedures Manual or by an alternative means if so provided for in the
16 Procedures Manual, as amended from time to time.

17 (8) **Procedures For Units Unable To Resell.** The Board of Supervisors finds that
18 certain requirements of this Program and the Procedures Manual may create hardship for
19 owners of affordable units restricted under this Program. However, the Board also recognizes
20 that the requirements of this Program are important to preserve the long-term affordability of
21 units restricted under the Program. In order to allow some relief for owners of affordable units
22 during a time of economic downturn, but to provide the maximum protection for the long-term
23 affordability of the units, the Board directs MOH to analyze the following *three* issues and, if it
24 deems appropriate, to propose amendments to the Procedures Manual to address the issues:
25

1 (1) Waiver of Re-Sale Requirements and Maximum Qualifying Income Level for New Buyers of
2 Resale BMR Units. The Board recognizes that the risk to low and moderate income
3 homeowners during times of economic downturn can increase the risk of default and
4 foreclosure of units restricted under this Program. The Board directs MOH to study ways to
5 reduce such risks in the below market rate unit context and, if it deems appropriate, to make
6 recommendations to the Planning Commission to amend the Procedures Manual to allow
7 MOH discretion, in certain limited circumstances, to waive requirements for owners of
8 affordable units who have used good faith efforts to secure a contract with a qualified buyer but are
9 unable to resell their unit in a timely manner. Such amendments to the Procedures Manual
10 may include, but are not limited to, authorizing MOH to make one or more allowances for
11 owners of affordable units unable to resell such as: (1) a one-time waiver of the first-time
12 homebuyer rule for the purchasing household; (2) a one-time waiver of qualifying household
13 size requirements for the purchasing household; (3) and a one-time waiver of owner
14 occupancy rules to allow a temporary rental; ~~and~~ (4) a one-time modification of the asset test
15 for the new buyer household and (5) allowing MOH discretion to increase the qualifying income
16 level for the unit by up to 20% above the maximum income limit currently allowed by the Use
17 Restrictions for the Unit but at no time higher than 120% of AMI. MOH and the Commission shall
18 set forth criteria for granting such allowances such as establishing a minimum time that the
19 units must have been advertised by MOH without selling; ~~or~~ establishing criteria related to
20 unusual economic or personal circumstances of the owner; providing a maximum percentage for
21 the increase above the maximum income limit currently allowed; providing that the increase may only
22 be granted on a one-time basis; and requiring the owner to clearly establish that the BMR unit is being
23 resold at the original purchase price plus the current repricing mechanism under the Program which
24 calculates the percentage change in AMI from the time of purchase to resale plus the commission and
25 any eligible capital improvements or special assessments.

1 (2) Waiver of Maximum Qualifying Income Level For New Buyers of Initial Sale BMR Units:

2 The Board of Supervisors recognizes that the current Program provides that the income of a new buyer
3 of a below market rate household cannot exceed the maximum income stated in the Planning Approval
4 or Notice of Special Restrictions for the BMR Unit. Due to a less desirable developments or
5 geographic areas, a Project Sponsor is sometimes unable to find a buyer for a BMR Unit within the
6 maximum income stated in the Planning Approval or Notice of Special Restrictions for the Unit. This
7 situation makes it difficult, if not impossible, for certain current owners of below market rate units to
8 sell their units. In order to minimize this situation, the Board of Supervisors directs the Mayor's Office
9 of Housing to study ways to address this issue and, if it deems appropriate, to make recommendations
10 to the Planning Commission to amend the Procedures Manual to allow MOH to assist Project Sponsors
11 who have used good faith efforts to secure a contract with a qualified buyer but who are unable to
12 secure such a contract in a timely manner from the initiation of marketing. Such amendments may
13 include allowing MOH discretion to increase the qualifying income level for the unit by up to 20%
14 above the maximum income limit currently allowed by the Use Restrictions for the Unit but at no time
15 higher than 120% of AMI. MOH and the Planning Commission shall establish limits to this or a
16 similar proposal such as: providing a maximum percentage for the increase above the maximum
17 income limit currently allowed; requiring that a certain period without securing a buyer would pass
18 before such an allowance would be made; providing that the increase may only be granted on a one-
19 time basis.

20 (c) For any units permitted to be rental units under the Program, ~~the~~ MOH shall
21 establish:

22 (1) restrictions on lease changes and propose such restrictions to the Commission for
23 inclusion in the Procedures Manual.

24 (2) additional eligibility criteria for subleasing and propose such restrictions to the
25 Commission for inclusion in the Procedures Manual.

1 (3) criteria for continued eligibility for occupied rental units and propose such
2 restrictions to the Commission for inclusion in the Procedures Manual.

3 (4) criteria for homeownership status and propose such restrictions to the Commission
4 for inclusion in the Procedures Manual.

5 (5) criteria for granting affordable rental households the right of first refusal in
6 purchasing an affordable unit that is converted from rental to ownership and propose such
7 restrictions to the Commission for inclusion in the Procedures Manual.

8 (6) that at no time shall an annual increase exceed the actual allowable increase for that year.
9 In cases where the rent has decreased, the tenant's rent must be decreased. In cases where the annual
10 adjustments have not been applied year to year, the Project Owner may not take advantage of any
11 increases that were not applied until the Unit is vacant and re-rented.

12
13 Section 8: The San Francisco Planning Code is hereby amended by amending
14 selected portions of Section 415.9, to read as follows:

15 **SEC. 415.9. ENFORCEMENT PROVISIONS AND MONITORING OF PROGRAM.**

16 . . .

17 ~~(f) MOH shall evaluate its monitoring system for affordable units created under this Section and~~
18 ~~shall compare its system with that of the San Francisco Redevelopment Agency with the goal of~~
19 ~~establishing, to the extent feasible, a single monitoring system for all inclusionary affordable housing~~
20 ~~units located in the City and County of San Francisco. MOH shall make any changes to its monitoring~~
21 ~~system necessary to bring its monitoring system into conformity with the system of the Redevelopment~~
22 ~~Agency; or, if necessary, MOH shall make recommendations to the Board of Supervisors to amend~~
23 ~~Section 415.1 et seq. in order to implement improvements to the monitoring system. If it is necessary to~~
24 ~~amend the Procedures Manual to change its monitoring system to comply with this Section, MOH may~~
25 ~~make any changes necessary to the Procedures Manual to comply with this Section 415.9(f). For~~

1 ~~purposes of this Section 415.9(f) only and on a one-time basis, MOH may amend the Procedures~~
2 ~~Manual without obtaining approval from the Commission. If MOH determines that some or all of the~~
3 ~~aspects of its system are more effective than the Redevelopment Agency's system, it shall inform the~~
4 ~~Board of Supervisors and recommend that the Board urge the Redevelopment Agency to conform its~~
5 ~~procedures to the City's.~~

6 . . .
7 Section 9. The San Francisco Planning Code is hereby amended by amending
8 selected portions of Section 419.3.

9 **SEC. 419.3. APPLICATION OF UMU AFFORDABLE HOUSING REQUIREMENTS.**

10 (a) Section 419.1 et seq. shall apply to any housing project located in the UMU Zoning
11 District of the Eastern Neighborhoods, that is subject to the requirements of Sections 415 et
12 seq.

13 (b) **Additional UMU Affordable Housing Requirements to the Section 415**
14 **Inclusionary Affordable Housing Program Requirements.** The requirements of Section
15 415 through 415.9 shall apply subject to the following exceptions:

16 (1) For all projects sites designated as Tier A, a minimum of ~~18~~ 14.4% percent of the
17 total units constructed shall be affordable to and occupied by qualifying persons and families
18 as defined elsewhere in this Code, so that a project sponsor must construct ~~0.14418~~ times the
19 total number of units produced in the principal project beginning with the construction of the
20 tenth unit. If the total number of units is not a whole number, the sponsor shall round up to the
21 nearest whole number for any portion of .5 or above.

22 (A) If the project sponsor is eligible for and elects pursuant to Section 415.5(g) to build
23 off-site units to satisfy the requirements of this program, the sponsor shall construct 23
24 percent so that a sponsor must construct .23 times the total number of units produced in the
25 principal project beginning with the construction of the tenth unit. If the total number of units is

1 not a whole number, the sponsor shall round up to the nearest whole number for any portion
2 of .5 or above.

3 (B) If the project sponsor elects pursuant to Section 415.5 to pay the fee to satisfy the
4 requirements of this program, the sponsor shall meet the requirements of Section 415
5 according to the number of units required above if the project applicant were to elect to meet
6 the requirements of this Section by off-site housing development. For the purposes of this
7 Section, the City shall calculate the fee using the direct fractional result of the total number of
8 units multiplied by the percentage of off-site housing required, rather than rounding up the
9 resulting figure.

10 (2) For all project sites designated Tier B, a minimum of ~~16.20~~ percent of the total units
11 constructed shall be affordable to and occupied by qualifying persons and families as defined
12 elsewhere in this Code, so that a project sponsor must construct ~~0.16-20~~ times the total
13 number of units produced in the principal project beginning with the construction of the tenth
14 unit. If the total number of units is not a whole number, the sponsor shall round up to the
15 nearest whole number for any portion of .5 or above.

16 (A) If the project sponsor is eligible for and elects pursuant to Section 415.5(g) to build
17 off-site units to satisfy the requirements of this program, the sponsor shall construct 25
18 percent so that a sponsor must construct .25 times the total number of units produced in the
19 principal project beginning with the construction of the tenth unit. If the total number of units is
20 not a whole number, the sponsor shall round up to the nearest whole number for any portion
21 of .5 or above.

22 (B) If the project sponsor elects pursuant to Section 415.5(g) to pay the fee to satisfy
23 the requirements of this program, the sponsor shall meet the requirements of Section 415
24 according to the number of units required above if the sponsor were to elect to meet the
25 requirements of this Section by off-site housing development. For the purposes of this

1 Section, the City shall calculate the fee using the direct fractional result of the total number of
2 units multiplied by the percentage of off-site housing required, rather than rounding up the
3 resulting figure.

4 (3) For all project sites designated Tier C, a minimum of 17.6 ~~22~~ percent of the total
5 units constructed shall be affordable to and occupied by qualifying persons and families as
6 defined elsewhere in this Code, so that a project sponsor must construct 0.176 ~~.22~~ times the
7 total number of units produced in the principal project beginning with the construction of the
8 tenth unit. If the total number of units is not a whole number, the sponsor shall round up to the
9 nearest whole number for any portion of .5 or above.

10 (A) If the project sponsor is eligible for and elects pursuant to Section 415.5(g) to build
11 off-site units to satisfy the requirements of this program, the sponsor shall construct 27
12 percent so that a sponsor must construct .27 times the total number of units produced in the
13 principal project beginning with the construction of the tenth unit. If the total number of units is
14 not a whole number, the sponsor shall round up to the nearest whole number for any portion
15 of .5 or above.

16 (B) If the project sponsor elects pursuant to Section 415.5 to pay the fee to satisfy the
17 requirements of this program, the sponsor shall meet the requirements of Section 415
18 according to the number of units required above if the sponsor were to elect to meet the
19 requirements of this Section by off-site housing development. For the purposes of this
20 Section, the City shall calculate the fee using the direct fractional result of the total number of
21 units multiplied by the percentage of off-site housing required, rather than rounding up the
22 resulting figure.

 20 Section 11. The San Francisco Planning Code is hereby amended by amending
 21 selected portions of Section 249.33 as follows:

22 **SEC. 249.33 VAN NESS & MARKET DOWNTOWN RESIDENTIAL SPECIAL USE**
 23 **DISTRICT.**

24 ...
 25 (b) **Use Controls.**

1 (1) **Non-residential uses.** For newly-constructed buildings or additions which exceed
2 20 percent or more of an existing structure's gross floor area, non-residential uses are not
3 permitted above the 4th story, and at least two occupied square feet of residential use shall be
4 provided for each occupied square foot of non-residential use. In order to accommodate local
5 government office uses near City Hall, publicly-owned or leased buildings or lots are
6 exempted from the requirements of this subsection.

7 (2) **Residential Density.** There shall be no density limit for residential uses by lot area,
8 but by the applicable requirements and limitations elsewhere in this Code, including but not
9 limited to height, bulk, setbacks, open space, and exposure, as well as by the Market &
10 Octavia Area Plan Fundamental Principals for Design, other applicable design guidelines,
11 applicable elements and area plans of the General Plan, and design review by the Planning
12 Department. The limitations of Section 215 shall not apply.

13 (3) **Residential Affordable Housing Program.** All projects in this district shall be
14 subject to all the terms of Section 415 and following of the Inclusionary Affordable Housing
15 Program. Notwithstanding the foregoing, projects within the Van Ness and Market Downtown
16 Residential Special Use District shall at a minimum fulfill the requirements to the levels
17 specified in this section. Should Section 415 require greater contributions to the affordable
18 housing program, those requirements shall supercede this section. Proposed exceptions to
19 these requirements due to hardships associated with construction type, specifically heights
20 above 120 feet, are not applicable in this Special Use District because parcels are receiving
21 an up zoning through increased density and benefits through the general transformation of the
22 district to a transit oriented neighborhood with a mixed use character. Requirements and
23 administration of this program shall follow the conditions outlined in Section 415 of the
24 Planning Code unless otherwise specified in this section.
25

1 **(A) Payment of Affordable Housing Fee.** Except as provided in Section 415.5(g), all
2 development projects subject to Section 415 et seq. in the Van Ness Market Special Use
3 District shall be required to pay an Affordable Housing Fee under Section 415.5 equivalent to
4 20 percent of the number of units in the principal project.

5 **(B) Alternatives to Payment of Affordable Housing Fee.** If a project sponsor both
6 qualifies for and chooses to meet the requirements through an Alternative to the Program, the
7 project sponsor may choose one of the Alternatives in Section 415.5(g).

8 **(i) On Site Housing Requirements and Benefits.** For projects that qualify for and
9 choose to fulfill the requirements of Section 415 through the provision of onsite housing, the
10 Planning Department shall require that ~~12~~15% of all units constructed on the project site shall
11 be affordable to qualifying households so that a project applicant must construct ~~.12~~ ~~.15~~ times
12 the total number of units produced in the principal project. If the total number of units is not a
13 whole number, the project applicant shall round up to the nearest whole number for any
14 portion of .5 or above.

15 **(ii) Compliance Through Off-Site Housing Development.** For projects that qualify for
16 and choose to fulfill the requirements of Section 415 through the provision of off-site housing,
17 the Planning Department shall require that 20% of all units constructed on the project site
18 shall be affordable to qualifying households so that a project applicant must construct .20
19 times the total number of units produced in the principal project. If the total number of units is
20 not a whole number, the project applicant shall round up to the nearest whole number for any
21 portion of .5 or above.

22 **(4) Open Space Provider.** The off-site open space permitted by this Section may be
23 provided individually by the project sponsor or jointly by the project sponsor and other project
24 sponsors, provided that each square foot of jointly developed open space may count toward
25 only one sponsor's requirement. With the approval of the Planning Commission, a public or

1 private agency may develop and maintain the open space, provided that (i) the project
2 sponsor or sponsors pay for the cost of development of the number of square feet the project
3 sponsor is required to provide, (ii) provision satisfactory to the Commission is made for the
4 continued maintenance of the open space for the actual lifetime of the building giving rise to
5 the open space requirement, and (iii) the Commission finds that there is reasonable
6 assurance that the open space to be developed by such agency will be developed and open
7 for use by the time the building, the open space requirement of which is being met by the
8 payment, is ready for occupancy.

9 (A) **Off-Site Provision of Required Open Space.** Up to 40 percent of usable open
10 space required by Sections 135 and 138 may be provided off-site if it is within the SUD or
11 within 900 feet of the project site and meets the standards described below for publicly
12 accessible open space described below.

13 (B) **Publicly-Accessible Open Space Standards.**

14 (C) Open space must be of one or more of the following types:

15 (i) An unenclosed park or garden at street grade or following the natural topography,
16 including improvements to hillsides or other unimproved public areas according to the Market
17 & Octavia Area Plan;

18 (ii) An unenclosed plaza at street grade, with seating areas and landscaping and no
19 more than 10 percent of the floor area devoted to food or beverage service;

20 (iii) An unenclosed pedestrian pathway that meets the minimum standards described in
21 Section 827(g)(3)(A) - (E);

22 (iv) A terrace or roof garden with landscaping;

23 (v) Streetscape improvements with landscaping and pedestrian amenities that result in
24 additional space beyond the pre-existing sidewalk width and conform to the Market & Octavia
25 Area Plan, such as sidewalk widening or building setbacks; and

1 (vi) Streetscape improvements with landscaping and pedestrian amenities on
2 alleyways from building face to building face, beyond basic street tree planting or street
3 lighting as otherwise required by this Code, in accordance with the Market & Octavia Area
4 Plan.

5 (D) **Open space must meet the following standards:**

6 (i) Be in such locations and provide such ingress and egress as will make the area
7 convenient, safe, secure and easily accessible to the general public;

8 (ii) Be appropriately landscaped;

9 (iii) Be protected from uncomfortable winds;

10 (iv) Incorporate ample seating and, if appropriate, access to limited amounts of food
11 and beverage service, which will enhance public use of the area;

12 (v) Be well signed and accessible to the public during daylight hours;

13 (vi) Be well lighted if the area is of the type requiring artificial illumination;

14 (vii) Be designed to enhance user safety and security;

15 (viii) Be of sufficient size to be attractive and practical for its intended use; and

16 (ix) Have access to drinking water and toilets if feasible.

17 (E) **Maintenance.** Open spaces shall be maintained at no public expense, except as
18 might be provided for by any community facilities district that may be formed. The owner of
19 the property on which the open space is located shall maintain it by keeping the area clean
20 and free of litter and keeping in a healthy state any plant material that is provided. Conditions
21 intended to assure continued maintenance of the open space for the actual lifetime of the
22 building giving rise to the open space requirement may be imposed in accordance with the
23 provisions of Section 309.1.

24 (F) **Informational Plaque.** Prior to issuance of a permit of occupancy, a plaque of no
25 less than 24 inches by 36 inches in size shall be placed in a publicly conspicuous location

1 outside the building at street level, or at the site of any publicly-accessible open space,
2 identifying said open space feature and its location, stating the right of the public to use the
3 space and the hours of use, describing its principal required features (e.g., number of seats,
4 availability of food service) and stating the name and address of the owner or owner's agent
5 responsible for maintenance.

6 (G) The Zoning Administrator shall have authority to require a property owner to hold
7 harmless the City and County of San Francisco, its officers, agents and employees, from any
8 damage or injury caused by the design, construction or maintenance of open space, and to
9 require the owner or owners or subsequent owner or owners of the property to be solely liable
10 for any damage or loss occasioned by any act or neglect in respect to the design, construction
11 or maintenance of the open space.

12 (5) **Lot Coverage.** The rear yard requirements of Section 134 shall not apply. Lot
13 coverage is limited to 80 percent at all residential levels except on levels in which all
14 residential units face onto a public right-of-way. The unbuilt portion of the lot shall be open to
15 the sky except for those obstructions permitted in yards per Section 136(c). Exceptions to the
16 20 percent open area may be granted pursuant to the procedures of Section 309 for
17 conversions of existing non-residential structures where it is determined that provision of 20
18 percent open area would require partial demolition of the existing non-residential structure.

19 (6) **Floor Area Ratio.**

20 (A) The maximum FAR allowed, except as allowed in this Section, shall be that
21 described in Section 123(C), provided that it shall not be greater than 9:1. The definition of
22 Gross Floor Area shall be that in Section 102.9 as of the date of approval of this Ordinance,
23 and shall include all residential uses. The provisions of Section 124(g) shall not apply in this
24 special use district.

1 (B) **Floor Area Bonus Permitted for Public Improvements or In-lieu Contributions**
2 **to the Van Ness and Market Neighborhood Infrastructure Fund and In lieu**
3 **Contributions to the Citywide Affordable Housing Fund.**

4 (i) The gross floor area of a structure or structures on a lot may exceed the maximum
5 ratio described in Section 123(c) through participation in the Van Ness and Market Affordable
6 Housing and Neighborhood Infrastructure Program, according to the procedures described
7 below in subsection (b)(7).

8 (ii) Notwithstanding the provisions of Sections 127 and 128 projects in this Special Use
9 District are not eligible to acquire Transferable Development Rights from a Transfer Lot or
10 Lots pursuant to the provisions of Sections 127- 128 for that increment of FAR above the base
11 FAR limit in Section 124 up to the maximum FAR described in Section 123(c). Instead, a
12 project may pay to the City's Citywide Affordable Housing Fund thirty dollars (\$30) per
13 additional gross square foot for that increment of FAR above the base FAR limit in Section
14 124 up to the maximum FAR described in Section 123(c). Any monies deposited into the
15 Citywide Affordable Housing Fund shall be administered as provided for in Section ~~415315~~ et
16 seq.

17

21 (a) **Purpose.** The South of Market (SoMa) Youth and Family Special Use District is
