10 Section 1. Findings.

11 (a) The San Francisco Airport has four terminals, currently referred to as Terminal 1,
12 Terminal 2, Terminal 3, and the International Terminal. It is the intent of the Board that one
13 terminal of the San Francisco Airport shall be named after former Supervisor Harvey Milk.

14 (b) The people of the City and County of San Francisco have a strong interest in the
15 names of terminals at the San Francisco International Airport. The Board's decision regarding
16 which terminal should bear Harvey Milk's name should be based on thorough deliberation
17 involving adequate opportunity for public involvement and comment. This Ordinance
18 establishes the Airport Facilities Naming Advisory Committee to hold a series of public
19 meetings soliciting information and public input, leading to a recommendation, after which the
20 Board intends to adopt an ordinance naming a terminal after Harvey Milk.

21 (c) The Board of Supervisors may also consider naming additional terminals, towers
22 and boarding areas at the San Francisco International Airport. After public deliberations, the
23 Airport Facilities Naming Advisory Committee may make recommendations to the Board
24 regarding renaming additional terminals, towers or boarding areas.
