WHEREAS. The Resolution of Intention for the Greater Union Square Business Improvement District (the "Union Square BID" or "District"), among other things, approved the Greater Union Square Business Improvement District Management District Plan (the "District Management Plan") and the District Assessment Engineer's Report (as each amended June 2, 2009), the form of the Assessment Ballots and the Notice of Public Hearing, that are on file with Clerk of the Board of Supervisors in File No. 090569; and,

WHEREAS, The Board of Supervisors caused notice of a public hearing concerning the proposed formation of the Greater Union Square BID, and the proposed levy of assessments against property located within the District for a period of ten years, for fiscal years 2009-2010 through 2018-2019; and,

WHEREAS, The Board of Supervisors has caused ballots to be mailed to the record owner of each parcel proposed to be assessed within the District, as required by law; and,

WHEREAS, A public hearing concerning the proposed formation of the Greater Union Square BID and the proposed levy of assessments within such District was held on July 28, 2008, at 3 p.m., in the Board's Legislative Chambers, located on the Second Floor of City Hall, 1 Dr. Carlton B. Goodlett Place, San Francisco, California; and,

WHEREAS, A Management District Plan entitled the "Greater Union Square Business Improvement District Management District Plan" containing information about the proposed district and assessments required by Section 36622 of the Law, as amended June 2, 2009, and as amended July 28, 2009, has been submitted to the Clerk of the Board of Supervisors; and,

WHEREAS, A detailed engineer's report supporting the assessments within the proposed district, prepared by John M. Brudin, California Registered Professional Engineer No. 41836, NBS, dated May 19, 2009 and amended June 2, 2009, and amended July 28, 2009, entitled "Greater Union Square Business Improvement District, Engineer's Report" has been submitted to the Clerk of the Board of Supervisors; and

WHEREAS, A proposed Boundaries Map as amended July 28, 2009 has been submitted to the Clerk of the Board of Supervisors pursuant to California Streets and Highways Code §3110;

WHEREAS, At the public hearing, the testimony of all interested persons for or against the proposed formation of the District, the levy of assessments on property within the District,

the extent of the District, and the furnishing of specified types of improvements, services and activities within the District, was heard and considered, and a full, fair and complete meeting and hearing was held; and,

WHEREAS, The Board of Supervisors heard and considered all objections or protests to the proposed assessments and the Director of the Department of Elections tabulated the assessment ballots submitted and not withdrawn, in support of or in opposition to the proposed assessments, and the Clerk of the Board determined that a majority of the ballots cast (weighted according to the proportional financial obligations of the property) by the owners of record of the property located within the proposed District did not oppose establishing the proposed District; and,

WHEREAS, The public interest, convenience and necessity require the establishment of the proposed Greater Union Square Business Improvement District; and,

WHEREAS, In the opinion of the Board of Supervisors, the property within the District will be specially benefited by the improvements, services and activities funded by the assessments, and no assessment has been imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel; now therefore be it

RESOLVED, that the Board of Supervisors declares as follows:
