Hello again,

Attached is the public notice for our upcoming Exploratorium Board of Trustees meeting on June 6, 2023, from 3-6pm PDT, to which members of the public are invited to attend if they so choose. Please post this information where appropriate.

This meeting will be a hybrid meeting held onsite at the Exploratorium, in the Fisher Bay Observatory, and via Zoom. Guests should reach out to me at [mwheeldon@exploratorium.edu](mailto:mwheeldon@exploratorium.edu) to arrange a guest entry pass to the building or the Zoom meeting information. A parking discount code can be arranged as well.

Additionally, I wanted to apologize that our previous meeting's notice (for the meeting in December) was late by a couple of calendar days. Our board had not yet decided that that meeting would be one of our public ones, and though our notice was sent out directly after the decision, it was not quite fast enough. In the future, we will be sure to remain compliant in sending out our notice at least 30 calendar days in advance of the meeting.

Thanks so much,  
Megan
