17 Section 1. Background, Findings, and Purpose.

18 (a) Police Code Article 16 comprehensively regulates commercial activities relating to  
19 the cultivation, manufacture, distribution, testing, sale, and delivery of cannabis. Police Code  
20 Section 1604 requires that the Director of the Office of Cannabis ("Director") implement an  
21 Equity Program to foster equitable access to participation in the cannabis industry, and to  
22 provide assistance to communities unfairly burdened by the War on Drugs. As part of the  
23 Equity Program, subsection (b) of Section 1604 requires the Director to offer priority  
24 processing to individuals who meet certain criteria and thereby qualify as Equity Applicants.  
25 The listed criteria include that (1) the individual was arrested for, convicted of, or adjudged to  
be a ward of the juvenile court for any crime under the laws of California or any other

1 jurisdiction relating to the sale, possession, use, manufacture, or cultivation of Cannabis  
2 during the period 1971-2016, or (2) the individual has a parent, sibling, or child who, during  
3 the period 1971-2016, was arrested for, convicted of, or adjudged to be a ward of the juvenile  
4 court for any crime under the laws of California or any other jurisdiction relating to the sale,  
5 possession, use, manufacture, or cultivation of Cannabis. Therefore, in order to determine  
6 whether individuals meet the criteria and qualify as Equity Applicants, the Director requires  
7 access to criminal history information.

8 (b) Police Code Section 1604 also requires that the Equity Program offer priority  
9 permit processing to Equity Incubators. An Equity Incubator is an Applicant that does not  
10 qualify as an Equity Applicant, but that submits with its Cannabis Business Permit application  
11 a Cannabis Equity Incubator Agreement in which it commits to ensure that at least 50% of the  
12 Equity Incubator's employees satisfy the requirements of Section 1604(b)(4). Therefore, in  
13 order to determine whether employees meet the Equity Applicant criteria, Equity Incubators  
14 must inquire about, require disclosure of, or base employment decisions on, convictions for  
15 decriminalized behavior, including the non-commercial use and cultivation of cannabis.

16 (c) Subsection (e) of Police Code Section 1615 permits the Director to deny an  
17 application for a Cannabis Business Permit if the Director finds that the Applicant or Owner  
18 has been convicted of an offense that is substantially related to the qualifications, functions, or  
19 duties of the business or profession for which the application is made, unless the Director  
20 determines that the Applicant or Owner is otherwise suitable to be issued a permit, and  
21 granting the permit would not compromise public safety. To make this determination,  
22 subsection (e) requires that the Director conduct a thorough review of the nature of the crime,  
23 conviction, circumstances, and evidence of rehabilitation of the Applicant or Owner, and  
24 evaluate the suitability of the Applicant or Owner, to be issued a permit based on the evidence  
25 found through the review. Subsection (e) specifies the criminal conduct that may and may not

1 be considered as grounds for discretionary denial. To exercise the discretion vested in the  
2 Director to grant or deny an application for a Cannabis Business Permit, requires that the  
3 Director have access to summary criminal history information.

4 ~~(ed) Subsection (b)(11) of California Penal Code Section 11105~~ California Penal Code  
5 Sections 11105(b)(11) and 13300(b)(11) requires the Attorney General to furnish local, state,  
6 and federal level summary criminal history information to a city and county officer or official if  
7 needed to assist that officer or official in fulfilling employment, certification, or licensing duties  
8 provided that the local ordinance governing those duties includes~~if the access is specifically~~  
9 ~~authorized by the Board to implement an ordinance and that ordinance expressly refers to~~  
10 ~~specific criminal conduct applicable to the subject of the state summary criminal history~~  
11 ~~information, and contains requirements or exclusions, or both, expressly based upon that~~  
12 ~~specified criminal conduct. Subsection (b)(11) further permits a county officer or official to~~  
13 ~~transmit fingerprint images and related information to the Department of Justice to be~~  
14 ~~transmitted to the Federal Bureau of Investigation.~~ a requirement or exclusion from  
15 employment, licensing, or certification based on specific criminal conduct on the part of the  
16 subject of the record and the governing body of the city and county specifically authorizes  
17 access to summary criminal history information for employment, licensing, or certification  
18 purposes.

19 ~~(de)~~ The purposes of this ordinance ~~is~~ are to authorize the Director of the Office of  
20 Cannabis to access summary criminal history information in order to fulfill the duties set forth  
21 in Police Code Article 16 and to permit employers to inquire about convictions for  
22 decriminalized behavior, including the non-commercial use and cultivation of cannabis, when  
23 necessary to satisfy the requirements of the Police Code Section 1604 Equity Program.
