3 **Ordinance amending the Building Code to increase fees charged by the Department of**
4 **Building Inspection by 15%; and affirming the Planning Department's determination**
5 **under the California Environmental Quality Act.**

6 NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
7 **Additions to Codes** are in *single-underline italics Times New Roman font*.
8 **Deletions to Codes** are in ~~*strikethrough italics Times New Roman font*~~.
9 **Board amendment additions** are in double-underlined Arial font.
10 **Board amendment deletions** are in ~~strikethrough Arial font~~.
11 **Asterisks (* * * *)** indicate the omission of unchanged Code
12 subsections or parts of tables.

13 Be it ordained by the People of the City and County of San Francisco:

14 Section 1. Findings

15 (a) The Planning Department has determined that the actions contemplated in this
16 ordinance comply with the California Environmental Quality Act (California Public Resources
17 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
18 Supervisors in File No. 230658 and is incorporated herein by reference. The Board affirms
19 this determination.

20 (b) On June 21, 2023, at a duly noticed public hearing, the Building Inspection
21 Commission considered this ordinance in accordance with Charter Section D3.750-5 and
22 Building Code Section 104A.2.11.1.1. A copy of a letter from the Secretary of the Building
23 Inspection Commission regarding the Commission's recommendation is on file with the Clerk
24 of the Board of Supervisors in File No. 230658.

25 (c) No local findings are required under California Health and Safety Code Section
17958.7 because the amendments to the Building Code contained in this ordinance do not

1 regulate materials or manner of construction or repair, and instead relate in their entirety to
 2 administrative procedures for implementing the code, which are expressly excluded from the
 3 definition of a "building standard" by California Health and Safety Code Section 18909(c).

4 (d) The amendments in this ordinance increase all fees charged by the Department of
 5 Building Inspection by 15 percent. The fees were last adjusted in 2015 by Ordinance No.
 6 159-15 (File No. 150559), which decreased all fees by seven percent below their previous
 7 values. Those values were last increased or set by Ordinance Nos. 107-09 (File No. 090588)
 8 and 122-08 (File No. 080719) in 2009 and 2008 respectively. Since 2015, inflation has
 9 resulted in approximately 32 percent increase in City costs. The Board of Supervisors hereby
 10 finds that the 15 percent increase is necessary to offset the Department of Building
 11 Inspection's costs to provide services for which the fees are collected.

12
 13 Section 2. Chapter 1A of the Building Code is hereby amended by revising Section
 14 110A, to read as follows:
