11	Be it ordained by the People of the City and County of San Francisco:						
12							
13	Section 1. Declaration of Emergency Pursuant to Charter Section 2.107.						
14	(a) Section 2.107 of the Charter authorizes passage of an emergency ordinance in						
15	cases of public emergency affecting life, health, or property, or for the uninterrupted operation						
16	of any City or County department or office required to comply with time limitations established						
17	by law. An emergency ordinance enacted under Charter Section 2.107 automatically						
18	terminates on the 61st day after passage, but may be reenacted upon the same terms and						
19	conditions applicable to its initial enactment.						
20	(b) Pursuant to Charter Section 2.107, the City enacted an emergency ordinance						
21	(Ordinance No. 59-20), the Public Health Emergency Leave Ordinance, which temporarily						
22	requires private employers with 500 or more employees to provide public health emergency						
23	leave during the public health emergency related to COVID-19. The emergency ordinance						
24	became effective when enacted, on April 17, 2020. It would have terminated automatically or						

June 16, 2020, but Ordinance No. 90-20 reenacted the emergency ordinance prior to its

25

termination. On August 24, 2020, Ordinance No. 136-20 reenacted Ordinance No. 59-20, as

2 reenacted by Ordinance No. 90-20, retroactive to August 15, 2020, the date that Ordinance

3 No. 59-20, as reenacted, expired. On October 30, 2020, Ordinance No. 217-20 reenacted

4 Ordinance No. 59-20, as reenacted by Ordinance No. 90-20 and Ordinance No. 136-20,

retroactive to October 14, 2020, the date that Ordinance No. 59-20, as reenacted, expired.

The original emergency ordinance, Ordinance No. 59-20, will terminate automatically on

December 13, 2020, unless reenacted.

(c) The Board of Supervisors hereby finds that the findings declared in Sections 1 and 2 of Ordinance No. 59-20 and reaffirmed in Ordinance No. 90-20, Ordinance No. 136-20, and Ordinance No. 217-20 remain valid and compelling, and declares further that an actual emergency continues to exist that requires the reenactment of the Public Health Emergency Leave Ordinance to reduce the spread of COVID-19 and mitigate the economic harm for individuals unable to work due to the public health emergency. COVID-19 continues to present an extremely dangerous public health risk to the community, and the adverse economic impact on workers and their families remains severe, notwithstanding gradual reopening of sectors of the economy. Further, many employees continue to experience family caregiving challenges due to care facility closures, remote learning for school children, and other challenges securing caregiving assistance.
