15 provides funds to the State of California and its political subdivisions for urban and community  
16 forestry programs; and

17 WHEREAS, The State Department of Forestry and Fire Protection (“CAL FIRE”) has  
18 been delegated the responsibility for the administration of the program within the State, setting  
19 up necessary procedures governing application by local agencies and non-profit organizations

25

1           WHEREAS, CAL FIRE administers the Urban and Community Forest California  
2 Climate Investments Grant Program (“Grant Program”), which works to expand and improve  
3 the management of trees and related vegetation in communities to advance the development  
4 of sustainable urban and community forests; and

5           WHEREAS, The Department of Public Works Bureau of Urban Forestry (“Public  
6 Works”) seeks to significantly increase the number of street trees planted annually in San  
7 Francisco consistent with the City’s Urban Forest Plan, which will require a larger skilled  
8 urban forestry workforce to support tree growing, planting and maintenance; and

9           WHEREAS, Public Works’ future South of Market Street Tree Nursery, funded and  
10 developed pursuant to a Cooperative Agreement with the California Department of  
11 Transportation (“Caltrans”), on file with the Clerk of the Board of Supervisors in File  
12 No. 220855, will be constructed on a 14,000 square-foot vacant freeway parcel in the South of  
13 Market neighborhood. The South of Market Street Tree Nursery will address the immediate

16 impacts of the nearby I-80 freeway and heavy vehicle traffic; and

18 order to staff and support a tree nursery workforce development program (“Project”) operated  
19 out of the future South of Market Tree Nursery; and

20           WHEREAS, On February 3, 2022 CAL FIRE approved Public Works’ application, on  
21 file with the Clerk of the Board of Supervisors in File No. 220855, awarding Public Works

2 overcome barriers to employment and establish careers in urban forestry; and

3 WHEREAS, Public Works will employ one full-time staff position to support nursery  
4 operations and the Project; and

5 WHEREAS, For purposes of formulating reasonable budgetary assumptions for the  
6 Project, Public Works' application included a reference to a nonprofit organization that is  
7 representative; Public Works' submission of the application occurred before the operative  
8 date of Chapter 21G of the Administrative Code; however, Public Works will select its non-  
9 profit partner in a future competitive solicitation; and

10 WHEREAS, The Project grant period runs through March 30, 2026; and

11 WHEREAS, The Project budget includes indirect costs in the amount of \$127,802, 12  
12 percent of the future nonprofit partner's estimated total direct costs, which is the maximum  
13 allowed by CAL FIRE; and

14 WHEREAS, On November 22, 2021, Caltrans, the Lead Agency for the Project

18 Categorically Exempt project under Title 14, Division 6, Chapter 3, Section 15301 of the  
19 California Code of Regulations ("Notice of Exemption"); and

20 WHEREAS, Prior to entering into a Grant Agreement, CAL FIRE requires the Board of
