20 **Section 1. General Terms and Conditions of Employment**

21 A. All terms and conditions of employment not covered under this Ordinance shall

22 continue to be subject to the City’s direction and control. Unless specifically

23 addressed herein, those terms and conditions of employment which are currently

1 set forth in the Charter, Administrative Code, Civil Service Rules policies and
2 procedures, shall apply to employees covered by this ordinance.

3 B. Nothing in this Ordinance shall have application to changes of Civil Service rules
4 and matters subject to the exclusive jurisdiction of the Civil Service Commission
5 pursuant to Charter Section A8.409-3, unless specifically approved by the Civil
6 Service Commission, except as such changes may affect compensation.
7

8 **Section 2. Wage Rates**

9 The wage rates for the employees covered by this Ordinance for fiscal year 2000-2001 shall be
10 increased as follows:

11	Effective July 1, 2000	Effective January 6, 2001
12	2 %	1.5%

13
14 Effective July 1, 2000, the salary for class 1801 Supervising Performance Auditor shall be set at
15 salary schedule 66.35 (\$2,326 B 2,827).

16 Effective July 1, 2000, the salary for class 1283 Director, Employee Relations Division shall not
17 be less than class 1278 Division Manager, Personnel.
18

19 All base wage increases shall be rounded to the nearest salary schedule.
20

21 **Section 3. Acting Assignment Pay**

22 The Appointing Officer/designee assigns duties to employees covered by this ordinance.

23 Employees assigned by the Appointing Officer/designee to perform the full range of essential
24
25

1 functions of a position in a higher classification shall receive compensation at a higher salary if
2 all of the following conditions are met:

- 3 (1) The assignment shall be in writing with copies to the Department of Human
4 Resources and Controller.
- 5 (2) The assignment shall conform to all Civil Service Commission Rules, policies and
6 procedures.
- 7 (3) The position to which the employee is assigned must be a budgeted position.
- 8 (4) The employee is assigned to perform the duties of a higher classification for longer
9 than thirty (30) consecutive working days.

10 a. If each of the above criteria are met and upon written approval by the
11 Department Head, an employee shall be paid a one full salary step adjustment
12 (approximately 5%) but which does not exceed the maximum step of the
13 salary schedule of the class to which temporarily assigned. Premiums based
14 on percent of salary shall be paid at a rate which includes acting assignment
15 pay.

16 b. Requests for classification or reclassification review shall not be governed by
17 this provision.

18 **Section 4. Supervisory Differential Adjustment**

19 The Appointing Officer may adjust the compensation of a supervisory employee whose schedule
20 of compensation is set herein subject to the following conditions:

- 21 (1) The supervisor, as part of the regular responsibilities of his/her class, supervises,
22 directs, is accountable for and is in responsible charge of the work of a subordinate
23 or subordinates.

- 1 (2) The supervisor must actually supervise the technical content of subordinate work and
2 possess education and/or experience appropriate to the technical assignment.
- 3 (3) The organization is a permanent one approved by the appointing officer, Board or
4 Commission, where applicable, and is a matter of record based upon review and
5 investigation by the Department of Human Resources.
- 6 (4) The classifications of both the supervisor and the subordinate are appropriate to the
7 organization and have a normal, logical relationship to each other in terms of their
8 respective duties and levels of responsibility and accountability in the organization.
- 9 (5) The compensation schedule of the supervisor is less than one full step (approximately
10 5%) over the compensation schedule, exclusive of extra pay, of the employee
11 supervised. In determining the compensation schedule of a classification being paid
12 a flat rate, the flat rate will be converted to a bi-weekly rate and the compensation
13 schedule the top step of which is closest to the flat rate so converted shall be deemed
14 to be the compensation schedule of the flat rate classification.
- 15 (6) The adjustment of the compensation schedule of the supervisor shall not exceed 5%
16 over the compensation exclusive of extra pay, of the employee supervised. If the
17 application of this section adjusts the compensation schedule of an employee in
18 excess of his/her immediate supervisor, whose class is also covered by this ordinance
19 the pay of such immediate supervisor shall be adjusted to an amount \$1.00 bi-weekly
20 in excess of the base rate of his/her highest paid subordinate, provided that the other
21 applicable conditions of this section are also met.
- 22 (7) In no event will the Appointing Officer approve a supervisory salary adjustment in
23 excess of two (2) full steps (approximately 10%) over the supervisor's current basic
24
25

1 compensation. If in the following fiscal year a salary inequity continues to exist, the
2 Appointing Officer may again review the circumstances and may grant an additional
3 salary adjustment not to exceed two (2) full steps (approximately 10%).

- 4 (8) The Human Resources Department shall review any changes in the conditions or
5 circumstances that were and are relevant to the request for salary adjustment under
6 this section.
7

8 **Section 5. Internal Adjustment Process**

9 Upon request of an Appointing Officer, the Director of the Human Resources Department may
10 approve internal salary adjustments, subject to approval of the Board of Supervisors, during the
11 term of the Ordinance based upon the following:

12 1. Standards

13 The following shall be the standards for internal adjustments for the wage rates
14 for a particular classification:

- 15 a) The salary for the classification is below the prevailing wage level in the
16 relevant labor market as demonstrated by verifiable salary data; and/or
17 b) There is an ongoing and demonstrable recruitment and/or retention
18 problem; and/or
19 c) Traditional salary relationships, which continue to be justified, have been
20 substantially altered; and/or
21 d) The duties, responsibilities and/or minimum requirements for a
22 classification have been altered significantly.

23 2. Internal Adjustment Cap
24
25

1 Internal adjustment costs shall not exceed an annualized cost of .3% of the total
2 payroll cost for the employees covered by this Ordinance.
3

4 **Section 6. Premium Pay**

5 All premiums and additional forms of compensation described in this ordinance shall be paid
6 only for actual hours worked.
7

8 There shall be no pyramiding of premiums for purposes of compensation calculations. Each
9 premium shall be calculated on the base wage rate exclusive of any and all premiums, benefits
10 and other forms of additional compensation.
11

12 **Section 7. Bilingual Pay**

13 Unrepresented employees who are assigned by their Department to a position designated by their
14 Department as a "Bilingual Position", subject to approval by the Human Resources Department,
15 shall receive an additional \$35.00 in each pay period when bilingual duties are performed 5 hours
16 or more in each week. A designated "Bilingual Position" is one in which the employee is
17 required to translate to and from a foreign language, or sign language as used by the deaf.
18

19 **Section 8. Project Managers**

20 For fiscal year 2000-2001, the wage differential that existed in 1992-93 shall be re-established
21 between the Project Manager classifications and their related professional engineering
22 classifications as follows:

23 5502 Project Manager I and 5206 Associate Civil Engineer
24
25

- 1 5504 Project Manager II and 5208 Civil Engineer
- 2 5506 Project Manager III and 5210 Senior Civil Engineer
- 3 5508 Project Manager IV and 5212 Principal Engineer

4

5 **Section 9. Appointment and Advancement**

6 Appointing Officers may appoint employees to any step, at any time, in the salary range which
7 does not exceed the maximum of the salary range. If there are no steps within the salary range,
8 the Appointing Officer may appoint employees to any place within the range at any time,
9 providing that the placement does not exceed the salary range maximum.

10

11 **Section 10. Methods of Calculation**

- 12 (1) Monthly. An employee whose compensation is fixed on a monthly basis shall be
13 paid monthly or bi-weekly in accordance with State Law or other applicable
14 provision. There shall be no compensation for time not worked unless such time
15 off is authorized time off with pay.
- 16 (2) Bi-Weekly. An employee whose compensation is fixed on a bi-weekly basis shall
17 be paid the bi-weekly salary for his/her position for work performed during the bi-
18 weekly payroll period. There shall be no compensation for time not worked
19 unless such time off is authorized time off with pay.
- 20 (3) Per Diem or Hourly. An employee whose compensation is fixed on a per diem or
21 hourly basis shall be paid the daily or hourly rate for work performed during the
22 bi-weekly payroll period on a bi-weekly pay schedule. There shall be no
23

1 compensation for time not worked unless such time off is authorized time off with
2 pay.

3 (4) Weekly. An employee whose compensation is fixed on a weekly basis shall be
4 paid bi-weekly for work performed during the bi-weekly payroll period. There
5 shall be no compensation for time not worked unless such time off is authorized
6 time off with pay.

7 (5) Conversion of Annual or Monthly Rates to Semimonthly or Bi-Weekly Rates.
8 When rates of compensation provided on an annual or monthly basis are
9 converted to bi-weekly rates for payroll purposes and the resulting amount
10 involves a fraction of a cent, the converted bi-weekly rate shall be adjusted to
11 eliminate such fraction of a cent on the following basis:

12 a. A fraction of less than one-half ($1/2$) shall be dropped and the amount
13 reduced to the next full cent.

14 b. A fraction of one-half ($1/2$) or more shall be increased to the next full
15 cent.

16 (6) Daily Rates for Monthly and Bi-Weekly Employees. A day's pay shall be
17 determined by dividing the number of work days in a normal work schedule in a
18 monthly payroll period (including specified holidays) into the monthly salary
19 established for the position, or the amount of a day's pay shall be 1/10th of the
20 compensation of a normal work schedule in a bi-weekly period (including
21 specified holidays).

- 1 (7) Conversion to Bi-Weekly Rates. Rates of compensation established on other than
2 bi-weekly basis may be converted to bi-weekly rates by the Controller for payroll
3 purposes.
4

5 **Section 11. Work Schedules**

6 (1) Regular Work Schedules

7 a. Regular Work Day. Unless otherwise provided, a regular workday is a tour of
8 duty of eight (8) hours of work completed within not more than twenty-four
9 (24) hours.

10 b. Regular Work Week. The Appointing Officer shall determine the work
11 schedule for employees in his/her department. A regular workweek is a tour
12 of duty of five (5) worked days within a seven day period. However,
13 employees who are moving from one shift or one work schedule to another
14 may be required to work in excess of five working days in conjunction with
15 changes in their work shifts or schedules.

16 Employees shall receive no compensation when properly notified (2-hour
17 notice) that work applicable to the classification is not available because of
18 inclement weather conditions, shortage of supplies, traffic conditions, or other
19 unusual circumstances. Employees who are not properly notified and report to
20 work and are informed no work applicable to the classification is available
21 shall be paid for a minimum of two hours. Employees who have been
22 designated by their department as emergency personnel must report to work as
23 scheduled unless otherwise notified by the Appointing Officer or designee.
24

1 Employees who begin their shifts and are subsequently relieved of duty due to
2 the above reasons shall be paid a minimum of two hours, and for hours
3 actually worked beyond two hours, computed to the nearest one-quarter hour.

4 (2) Night Duty

5 Employees, exclusive of employees in classes which are exempt from the Fair
6 Labor Standards Act, who, as part of their regularly scheduled work shift, are
7 required to work any hours between (six) 6:00 p.m. and (six) 6:00 a.m. shall
8 receive a premium of 5% per hour in addition to their straight time hourly base
9 rate of pay for any and all hours worked between (six) 6:00 p.m. and (six) 6:00
10 a.m. Excluded from this provision are those employees who participate in an
11 authorized flex-time program where the work shift includes hours to be worked
12 between the hours of (six) 6:00 p.m. and (six) 6:00 a.m. Day shift employees
13 assigned to work during the night duty premium hours are not eligible for night
14 duty premium. Payment of this premium shall be made for actual hours worked.

15 (3) Alternate Work Schedule

16 The Appointing Officer may enter into cost equivalent alternate work schedules
17 for some or all employees. Such alternate work schedules may include, but are
18 not limited to, core hours flex-time; full-time work weeks of less than five (5)
19 days; or a combination of features mutually agreeable to the parties. Such
20 changes in the work schedule shall not alter the basis for, nor entitlement to,
21 receiving the same rights and privileges as those provided to employees on five
22 (5) day, forty (40) hour a week schedules.

1 (4) Voluntary Reduced Work Week

2 Employees subject to the approval by the Appointing Officer may voluntarily
3 elect to work a reduced work week for a specified period of time. Such reduced
4 work week shall not be less than twenty (20) hours per week. Pay, vacation,
5 holidays and sick pay shall be reduced in accordance with such reduced work
6 week.

7 **Section 12. Probationary Periods**

8 The definition of a probationary period shall be as provided under the Rules of the Civil Service
9 Commission. All permanent appointees shall serve a minimum of a six month probationary
10 period except that the Human Resources Director may designate specific classifications which
11 shall require up to a one year probationary period.

12 A probationary period may be extended by mutual written agreement between the employee and
13 the appointing officer.

14 An employee who is granted a leave while serving a probationary period shall have such
15 probationary period extended by the period of such leave in order to complete the required period
16 of service.

17
18 **Section 13. Seniority**

19
20 In the event of layoffs, the employee in the class with the least Civil Service seniority within that
21 employee's department shall be laid off. Bumping rights shall be limited to the employee's
22 current department.

1 **Section 14. Overtime Compensation**

- 2
- 3 (1) Subject to sub-paragraphs 2-4 below, the Appointing Officer may require
- 4 employees to work longer than the regular work day or the regular work week.
- 5 Any time worked by an employee with proper authorization, exclusive of part-
- 6 time employees, in excess of forty (40) hours actually worked during a regular
- 7 work week shall be designated as overtime and shall be compensated at one-and-
- 8 one-half times the base hourly rate. For the purposes of calculating overtime
- 9 compensation, an employee's base hourly rate may include certain premiums for
- 10 those hours actually worked at the premium rate.
- 11 (2) Employees working in classifications that are designated as having a regular work
- 12 week of less than forty (40) hours shall not be entitled to overtime compensation
- 13 for work performed in excess of said specified regular hours until they exceed
- 14 forty (40) hours per week. Overtime shall be calculated and paid on the basis of
- 15 the total number of straight time hours actually worked in a week. Overtime
- 16 compensation so earned shall be computed subject to all the provisions and
- 17 conditions set forth herein.
- 18 (3) Employees occupying Fair Labor Standards Act ("FLSA") exempt (executive,
- 19 administrative, or professional) positions shall not be paid for overtime worked
- 20 but may earn CTO at the rate of one hour for each hour worked in excess of 40
- 21 hour/week. The maximum amount of CTO that may be accrued may be
- 22 established by each appointing officer. In lieu of accruing CTO during the fiscal
- 23 year, unrepresented department heads and employees in AB44 Confidential Chief

1 Attorney II shall have the same administrative time off benefit applicable to
2 employees in classifications assigned to the EM Unit.

- 3 (4) Employees not exempted from the FLSA who are required to work overtime shall
4 be paid at a rate of one and one-half times their regular base rate. An employee
5 may elect to accrue CTO in lieu of overtime, provided that the Appointing Officer
6 approves of such election. In no instance may an employee accrue more than two
7 hundred forty (240) hours of CTO.
8

9 **Section 15. Fair Labor Standards Act**

10 To the extent that this ordinance fails to afford employees the overtime or compensatory time off
11 benefits to which they are entitled under the Fair Labor Standards Act, this ordinance authorizes
12 and directs all City Departments to ensure that their employees receive, at a minimum, such Fair
13 Labor Standards Act Benefits.
14

15 **Section 16. Standby Pay and Pager Pay**

16 Employees who, as part of the duties of their positions are required by the Appointing Officer to
17 standby when normally off duty to be instantly available to be called in for immediate emergency
18 service for the performance of their regular duties, shall be paid 25 percent of their regular
19 straight time rate of pay for the period of such standby service, except that employees shall be
20 paid ten (10) percent of their regular straight time rate of pay for the period of such standby
21 service when outfitted by the department with an electronic paging device. When such
22 employees are called to perform their regular duties in emergencies during the period of such
23

1 standby service, they shall be paid while engaged in such emergency service the usual rate of pay
2 for such service.

3 The provisions authorizing standby pay do not apply to classifications designated by a "Z"
4 symbol and which would qualify for designation as executive, administrative or professional
5 under the duties test provisions of the Federal Fair Labor Standards Act.
6

7 **Section 17. Call Back**

8 Employees (except those at remote locations where City supplied housing has been offered, or
9 who are otherwise being compensated) who are called back to their work locations following the
10 completion of his/her work day and departure from his/her place of employment, shall be paid at
11 the applicable rate for all hours actually worked. This section shall not apply to employees who
12 are called back to duty when on stand-by status.
13

14 Notwithstanding the general provisions of this section, call back pay shall not be allowed in
15 classes which are FLSA exempt (executive, administrative or professional).
16

17 **Section 18. Holidays**

18 Except when normal operations require, or in an emergency, employees shall not be required to
19 work on the following days hereby declared to be holidays for such employees:

20 January 1 (New Year's Day)

21 the third Monday in January (Martin Luther King, Jr.'s Birthday)

22 the third Monday in February (President's Day)

23 the last Monday in May (Memorial Day)

1 July 4 (Independence Day)
2 the first Monday in September (Labor Day)
3 the second Monday in October (Columbus Day)
4 November 11 (Veteran's Day)
5 Thanksgiving Day
6 the day after Thanksgiving
7 December 25 (Christmas Day)

8 Provided further, if January 1, July 4, November 11 or December 25 falls on a Sunday, the
9 Monday following is a holiday.

10
11 The City shall accommodate religious belief or observance of employees as required by law.
12 Employees are entitled to three additional floating days off to be taken on days selected by the
13 employee subject to prior scheduling approval of the appointing officer. Employees (both full-
14 time and part-time) must complete six (6) months continuous service to establish initial
15 eligibility for the floating days off. Employees hired on an as-needed, intermittent or seasonal
16 basis shall not receive the additional floating days off. Floating days off may not be carried
17 forward from one fiscal year to the next. No compensation of any kind shall be earned or granted
18 for floating days off not taken. Employees who have established initial eligibility for floating
19 days off and subsequently separate from City employment, may at the sole discretion of the
20 appointing authority, be granted those floating day(s) off to which the separating employee was
21 eligible and had not yet taken off. In addition, any day declared to be a holiday by proclamation
22 of the Mayor after such day has heretofore been declared a holiday by the Governor of the State
23 of California or the President of the United States.

1 For those employees assigned to a work week of Monday through Friday, and in the event a legal
2 holiday falls on Saturday, the preceding Friday shall be observed as a holiday; provided,
3 however, that except where the Governor declares that such preceding Friday shall be a legal
4 holiday, each department head shall make provision for the staffing of public offices under
5 his/her jurisdiction on such preceding Friday so that said public offices may serve the public as
6 provided in the Administrative Code (Section 16.4). Those employees who work on a Friday
7 which is observed as a holiday in lieu of a holiday falling on Saturday shall be allowed a day off
8 in lieu thereof as scheduled by the appointing officer in the current fiscal year. The City shall
9 provide one week's advance notice to employees scheduled to work on the observed holiday,
10 except in cases of unforeseen operational needs.

11
12 **Section 19. Holiday Compensation for Time Worked**

13 Employees required by their respective Appointing Officers to work on any of the above-
14 specified or to substitute holidays excepting Fridays observed as holidays in lieu of holidays
15 falling on Saturday, shall be paid extra compensation of one (1) additional day's pay at time and
16 one-half (1-1/2) the usual rate in the amount of twelve (12) hours' pay for eight (8) hours worked
17 or a proportionate amount if less than eight (8) hours worked; provided, however, that at an
18 employee's request and with the approval of the appointing officer, an employee may be granted
19 compensatory time off in lieu of paid overtime.

20
21 Employees occupying positions which are exempt from the FLSA (Executive, Administrative
22 and Professional) shall not receive extra compensation for holiday work but may be granted time
23 off at the discretion of the Appointing Officer.

1
2 **Section 20. Holidays for Employees on Work Schedules Other Than Monday Through**
3 **Friday**

- 4 (1) Employees assigned to seven (7) day-operation departments or employees working a
5 five (5) day work week other than Monday through Friday shall be allowed another
6 day off if a holiday falls on one of their regularly scheduled days off.
7 (2) Employees whose holidays are changed because of shift rotations shall be allowed
8 another day off if a legal holiday falls on one of their days off.
9 (3) Employees required to work on a holiday which falls on a Saturday or Sunday shall
10 receive holiday compensation for work on that day. Holiday compensation shall not
11 then be additionally paid for work on the Friday preceding a Saturday holiday, nor
12 on the Monday following a Sunday holiday.
13 (4) Sections (2) and (3) above shall apply to part-time employees on a pro-rata basis.

14 If the provisions of this section deprive an employee of the same number of holidays
15 that an employee receives who works Monday through Friday, s/he shall be granted
16 additional days off to equal such number of holidays. The designation of such days
17 off shall be by mutual agreement of the employee and the appropriate employer
18 representative. Such days off must be taken within the fiscal year. In no event shall
19 the provisions of this section result in such employee receiving more or less holidays
20 than an employee on a Monday through Friday work schedule.
21
22
23
24
25

1 **Section 21. Holiday Pay for Employees Laid Off**

2 An employee who is laid off at the close of business the day before a holiday who has worked
3 not less than five (5) previous consecutive workdays shall be paid for the holiday at their normal
4 rate of compensation.

5
6 **Section 22. Employees Not Eligible for Holiday Compensation**

7 Persons employed for holiday work only, or persons employed on a part-time work schedule
8 which is less than twenty (20) hours in a bi-weekly pay period, or persons employed on an
9 intermittent part-time work schedule (not regularly scheduled), or persons employed on as-
10 needed, seasonal or project basis for less than six (6) months continuous service, or persons on
11 leave without pay status both immediately preceding and immediately following the legal
12 holiday shall not receive holiday pay.

13
14 **Section 23. Part-time Employees Eligible for Holidays**

15 Part-time employees who regularly work a minimum of twenty (20) hours in a bi-weekly pay
16 period shall be entitled to holiday pay on a proportionate basis.

17 Regular full-time employees are entitled to 8/80 or 1/10 time off when a holiday falls in a bi-
18 weekly pay period, therefore, part-time employees, as defined in the immediately preceding
19 paragraph, shall receive a holiday based upon the ratio of 1/10 of the total hours regularly
20 worked in a bi-weekly pay period. Holiday time off shall be determined by calculating 1/10 of
21 the hours worked by the part-time employee in the bi-weekly pay period immediately preceding
22 the pay period in which the holiday falls. The computation of holiday time off shall be rounded

1 **Section 26. Health and Welfare and Dental Insurance**

2 1. City Contribution

3 The City will provide dental contributions at the present level during the term of
4 this ordinance.

5 The level of the City's contribution to health benefits will be set in accordance
6 with the requirements of Charter Sections A 8.423 and A 8.428.

7
8 The City will cease payment of any and all contributions for employee health and
9 dental benefits for those employees who remain on unpaid status, with the
10 exception of approved sick leave, Worker's Compensation Leave, Family Medical
11 Leave Act leave, and or California Family Rights Act Leave, in excess of twelve
12 (12) continuous weeks.

13
14 2. Dependent Health Care

15 The City's contribution for dependent health care coverage for Miscellaneous
16 Unrepresented employees shall be \$225.00 per covered employee per month. In
17 the event that the cost of dependent care increases, the City will adjust its pick-up
18 level up to 75% of the cost of Kaiser's dependent health care medical costs
19 charged to the employee for the employee plus two or more dependents category.

20
21 The City's contribution for dependent health care coverage for Management
22 Unrepresented employees to the Flexible Benefits Plan shall be the greater
23 amount of \$225.00 per covered employee per month or 75% per covered
24

1 employee per month of the dependent rate charged to employees for Kaiser
2 coverage at the dependent plus two or more level. The specific benefits offered
3 are subject to change.
4

5 **Section 27. Retirement Contribution**

6 The City shall pick up the employee contribution to Retirement (as defined by Section 414(h) of
7 the Internal Revenue Code of 1986 as amended from time to time for any successor statute) to
8 the extent set forth below:
9

10 The City will contribute to the appropriate pension plan a total of:

11 8% of pension covered gross salary for old plan full rate SFERS members;

12 7.5% of pension covered gross salary for new plan full rate SFERS members;

13 7.0% of pension covered gross salary for miscellaneous PERS members;

14 7.0% of pension covered gross salary for safety PERS members (where
15 applicable);

16 *7.5% of pension covered gross salary for safety PERS members (where
17 applicable). *For Uniform Deputy Sheriffs, 7 ½% employer pick up and 1 ½%
18 pick up per Charter Section A8.506.
19

20 The aforesaid contributions shall not be considered as part of an employee's compensation for
21 the purpose of computing straight time earnings, compensation for overtime worked, premium
22 pay, or retirement benefits, nor shall such contributions be taken into account in determining the
23 level of any other benefit which is a function of or percentage of salary.
24

1
2 On and after July 1, 1997, any employee covered by this ordinance shall have no right to alter the
3 amount of such contribution, nor shall the employee have the right to receive directly the
4 contributed amounts instead of having the employer pay them directly to the Retirement System.
5

6
7 **Section 28. Worker's Compensation and Return to Work**

8 The City will make a good faith effort to return employees who have sustained an occupational
9 injury or illness to temporary modified duty within the employee's medical restriction. Duties of
10 the modified assignment may differ from the employee's regular job duties and/or from job
11 duties regularly assigned to employees in the injured employee's class. Where appropriate
12 modified duty is not available within the employee's classification, on the employee's regular
13 shift, and in the employee's department, the employee may be temporarily assigned pursuant to
14 this section to work in another classification, on a different shift, and/or in another department,
15 subject to the approval of the Appointing Officer or designee. The decision to provide modified
16 duty and/or the impact of such decisions shall not be subject to grievance or arbitration.
17 Modified duty assignments may not exceed three (3) months. An employee assigned to a
18 modified duty assignment shall receive their regular base rate of pay and shall not be eligible for
19 any other additional compensation (premiums) and or out of class assignment pay as may be
20 provided under this Ordinance.
21

1 An employee who is absent because of an occupational disability and who is receiving
2 Temporary Disability, Vocational Rehabilitation Maintenance Allowance, State Disability
3 Insurance, may request that the amount of disability indemnity payment be supplemented with
4 salary to be charged against the employee's accumulated unused sick leave with pay credit
5 balance at the time of disability, compensatory time off, or vacation, so as to equal the normal
6 salary the employee would have earned for the regular work schedule. Use of compensatory
7 time requires the employee's Appointing Officer's approval.

8
9 An employee who wishes not to supplement, or who wishes to supplement with compensatory
10 time or vacation, must submit a written request to the Appointing Officer or designee within
11 seven (7) calendar days following the first date of absence. Disability indemnity payments will
12 be automatically supplemented with sick pay credits (if the employee has sick pay credits and is
13 eligible to use them) to provide up to the employee's normal salary unless the employee makes
14 an alternative election as provided in this section.

15 Employee supplementation of workers compensation payment to equal the full salary the
16 employee would have earned for the regular work schedule in effect at the commencement of the
17 workers compensation leave shall be drawn only from an employee's paid leave credits including
18 vacation, sick leave balance, or other paid leave as available. An employee returning from
19 disability leave will accrue sick leave at the regular rate and not an accelerated rate.

20 Salary may be paid on regular time-rolls and charged against the employee's sick leave with pay,
21 vacation, or compensatory time credit balance during any period prior to the determination of
22 eligibility for disability indemnity payment without requiring a signed option by the employee.

1 Sick leave with pay, vacation, or compensatory time credits shall be used to supplement
2 disability indemnity pay at the minimum rate of one (1) hour units.

3
4 This provision clarifies and supersedes any conflicting provisions of the Civil Service
5 Commission Rules which are within the Charter authority of the Board of Supervisors.

6
7 **Section 29. State Disability Insurance (SDI) Coverage**

8 Upon a statement by a majority of employees in a classification, or by the sole incumbent in a
9 single "A" position or by the majority of employees in a multi "A" position, requesting that
10 they be enrolled in the State Disability Program, the City shall take all necessary action to enroll
11 affected employees therein.

12
13 **Section 30. Compliance with Disability and Anti-Discrimination Statutes**

14 This Ordinance shall be interpreted, administered and applied in a manner that complies with the
15 provisions of federal, state and local disability and anti-discrimination statutes. The City shall
16 have the right to take whatever action it deems appropriate to ensure compliance with such laws.

17
18 **Section 31. Tuition Reimbursement**

19 The City will allocate \$10,000 for the Tuition Reimbursement Program for employees covered
20 by this Ordinance. Employees shall not be reimbursed for more than \$500. Classes which will
21 enhance an employee's work skills shall be considered as qualifying for tuition reimbursement.
22 Tuition reimbursement must be approved by the employee's Appointing Officer and be in
23 accordance with procedures determined by the Human Resources Director.

Employees who receive payment under the LTD plan shall not be eligible to continue receiving payments under the City's Catastrophic illness Program.

1 **Section 36. Parental Release Time**

2 Upon proper advance notification, covered employees may be granted up to forty (40) hours
3 Parental Leave for fiscal year 2000-2001 – two (2) hours of which will be paid leave each
4 semester – to participate in the activities of a school or licensed child day care facility of any of
5 the employee’s children. Parental leave shall not exceed eight (8) hours in any calendar month of
6 the year.

7 In order to qualify for Parental leave, the employee must give reasonable notice to his/her
8 immediate supervisor prior to taking the time off. The employee must provide written
9 verification from the school or licensed child day care facility that he/she participated in
10 school/child care related activities on a specific date and at a particular time, if requested by
11 management.

12 The employee may utilize either existing vacation, compensatory time off, or personal (unpaid)
13 leave to account for absences after the two (2) paid hours per semester have been used. If both of
14 the child’s parents are employed by the City at the same worksite, the entitlement to a planned
15 absence applies only to the parent who first gives notice.

16 Denial of Parental Leave under this section is not subject to the grievance process.

6 An employee having a grievance must first discuss it with the employee's immediate supervisor.

7 The employee's immediate supervisor is the individual who immediately assigns, reviews or
8 directs the work of an employee.

9

11 accomplished by the informal discussion, the employee may pursue the matter further.

12
13 The employee shall submit a written statement of the grievance to the immediate supervisor
14 within fifteen (15) calendar days of the facts or event giving rise to the grievance or within
15 fifteen (15) calendar days from such time as the employee should have known of the occurrence

18 the issue. He/she shall respond within five (5) calendar days.

19
20 Step II Department Head/Designee

10 shall submit the grievance to the Employee Relations Director within fifteen (15) calendar days
11 after receipt of the Department's decision.

12
13 The Director shall have thirty (30) calendar days after receipt of the written grievance in which to
14 review and seek resolution of the grievance and to render a decision concurring with or denying
15 the grievance. The Director's decision shall be final and binding.
