9 requirement further the purposes set forth in Section 6.1 of this Code.

10 Sec. 6.5 **Permit Procedure.** Procedures for the filing and processing of permit  
11 applications, have been approved by Port Commission resolution, which resolution is on file with the  
12 Port Commission and shall be made available to the public upon request. The Executive Director is  
13 hereby authorized to make any non-substantial amendments to such permit procedures necessary for the  
14 efficient administration of the permit process.

15 Sec. 6.6 **Conditions.**

16 (A) The Executive Director or the Commission may impose reasonable conditions on approval  
17 of a permit application that are specifically designed to protect public or private property from damage  
18 and to preserve the comfort, convenience, safety or welfare of the public. Such conditions may be  
19 imposed on a permittee after the permit application has been approved if information has been received  
20 by the Executive Director after such approval which would provide reasonable grounds for the  
21 conclusion that further conditions are necessary, including the condition that the location of the  
22 proposed activity be changed. The provisions of this Section are designed to secure for permit holders  
23 an opportunity fully to exercise the rights conferred upon them by the permit without unreasonably  
24 interfering with the rights of other members of the public to use park property and adjacent areas or to  
25 engage in First Amendment activities. The Executive Director shall in no event impose conditions  
pursuant to this Section which are designed to limit the content of First Amendment expression

1 engaged in by persons affected by the permit or which unreasonably interfere with the right of free  
2 speech.

3 (B) The conditions which may be imposed on permit applicants include the following: (1)  
4 posting a performance bond to insure the property is restored and cleaned at the conclusion of the  
5 permitted activity; (2) providing insurance to protect the City from liability from any harm that such  
6 activity might cause; and (3) agreeing to reimburse the Commission for any costs incurred by it in  
7 restoring damage to property caused by the actions of the permittee, its officers, employees, or agents,  
8 or any person who was, or reasonably should have been, under the permittee's control and to defend the  
9 City against, and indemnify and hold the City harmless from, any liability to any person resulting from  
10 any damage or injury cause by the actions of the permittee, its officers, employees, or agents, or any  
11 person who was or reasonably should have been, under the permittee's control.

12 (C) When an applicant for a permit to perform an activity which is protected by the First  
13 Amendment to the U.S. Constitution and for which a performance bond must be posted produces  
14 evidence that providing a cash performance bond would be impossible or so financially burdensome  
15 that it would preclude the applicant from using park property for the proposed activity, the Executive  
16 Director shall accept property in lieu of a cash performance bond so long as the property offered is of a  
17 type which will reasonably insure restoration and cleaning of the property to be used by the applicant at  
18 the conclusion of the permitted activity.

19 (D) No applicant shall be required to comply with the provisions of Subsection (B)(2)  
20 pertaining to insurance if the activity proposed is protected by the First Amendment of the U.S.  
21 Amendment of the U.S. Constitution and the applicant produces evidence that complying with those  
22 provisions is impossible or so financially burdensome that it would preclude the applicant from using  
23 park property for the proposed activity.

24 Sec. 6.7 **Permits-Basis For Denial.** The Executive Director shall approve a permit  
25 application unless:

1 (A) A written application for a permit to use the same location at the same time has been  
2 received and such application has been or will be approved authorizing an activity which does not  
3 reasonably permit multiple occupancy of the area;

4 (B) The proposed activity would conflict with a previously planned program sponsored by the  
5 Commission and scheduled for the same location as that requested by the applicant;

6 (C) The Executive Director has reasonable cause to conclude, based upon the inherent nature of  
7 the activity, that the applicant or any person or persons participating in the proposed activity will, in  
8 connection with that activity, cause physical injury to persons or substantial damage to property;  
9 provided, however, that in determining whether such reasonable cause exists the Executive Director  
10 shall not consider the content of expression which is proposed or anticipated;

11 (D) The proposed activity is inconsistent with the purpose for which the facility or area has been  
12 established or designated;

13 (E) The location selected is inappropriate because (1) the nature of the proposed activity or the  
14 number of persons expected in connection with the activity would be likely to damage trees, plants or  
15 other vegetation; (2) the activity would unduly disturb adjacent neighborhoods because of the nature of  
16 the proposed activity or the number of persons expected to be involved; or (3) other activities have been  
17 scheduled in an area or areas near the location proposed by the applicant, or they normally occur in  
18 such area or areas, and permitting the proposed activity to occur in the proposed location would  
19 unreasonably interfere with park use and enjoyment by participants in such activities;

20 (F) The applicant fails to obtain necessary approvals, permits, or licenses from other  
21 governmental departments or agencies;

22 (G) The applicant has not complied with the procedural requirements established by  
23 Commission resolution for the filing of permit applications;

24 (H) The applicant fails or refuses to pay a processing fee or a user fee, or both, which the  
25 Commission has established by resolution;

(I) The applicant fails or refuses to post a performance bond when required to do so by the  
Commission;

1 (J) The applicant fails or refuses to provide insurance when required to do so by the  
2 Commission;

3 (K) The applicant fails or refuses to execute an agreement to reimburse the Commission for any  
4 cost incurred by it in restoring damage to the property occasioned by, or arising out of, the permitted  
5 activity, and to defend the City against and indemnify and hold the City harmless from, any liability to  
6 any person occasioned by, or arising out of, the permitted activity, when such an agreement is required  
7 by the Commission;

8 (L) The application contains misrepresentations of material fact;

9 (M) The proposed activity is prohibited by law;

10 (N) The applicant refuses to comply with conditions reasonably imposed on approval of the  
11 permit application by the Executive Director or the Commission in order to insure that public or private  
12 property is not damaged and that the comfort, convenience, safety and welfare of the public are not  
13 disturbed;

14 (O) The proposed activity is required to be put out for bid under the Port's policies regarding  
15 competitive bidding.

16 Whenever a permit application is denied, the Executive Director shall inform the applicant of  
17 the reason for the denial and when a change in location would allow approval, shall offer alternative  
18 suitable locations.

19 Sec. 6.8 **Petitioning, Leafletting, Picketing, Soliciting.**

20 (A) No permit may be required to engage in petitioning, leafletting, demonstrating or soliciting  
21 so long as engaging in any of these activities, or any combination of these activities, does not involve  
22 50 or more petitioners, leafletters, demonstrators, or solicitors at the same time within an area  
23 circumscribed by a 500-foot radius.

24 (B) It shall be unlawful for any person to engage in petitioning, leafletting, demonstrating or  
25 soliciting in such a manner as to substantially obstruct any traffic of pedestrians or vehicles after being  
warned by a peace officer or a member of the Park Patrol not to do so.

1 (C) Where the park is a frequent site for the issuance of permits involving large groups of  
2 people for events requiring exclusivity, in order to prevent interference with the progress and  
3 enjoyment of these events, no person may engage in petitioning, leafletting, demonstrating or soliciting  
4 in these parks while an event is in progress for which a permit has been issued by the Commission or  
5 Executive Director except in those areas designated as public assembly areas. No person shall be  
6 considered in violation of the prohibition contained in this subsection until he or she has been informed  
7 by a member of the San Francisco Police Department, a member of the Park Patrol, or a member of the  
8 Commission who displays proper identification of such employment that the event is being conducted  
9 pursuant to a valid permit or until the permit pursuant to which the event is being conducted has been  
10 shown to such person.

11 Sec. 6.9 **Reservation of Buildings.** The procedure for reserving the use of any building  
12 in any park shall be established by the Commission and shall be kept on file with the Commission and  
13 made available to the public upon request.

14 Sec. 6.10 **Sales Prohibited at Art Shows.** When conducting or participating in an art  
15 show in any park, no person shall sell or offer for sale any work of art unless the permit authorizing the  
16 art show allows such sales.

17 Sec. 6.11 **Commercial Photography, Filming, Recording.** No person shall engage in  
18 commercial photography, filming or recording in any park without first having obtained a permit from  
19 the Executive Director. Permits for such commercial activities shall be issued by the Executive  
20 Director pursuant to the Port's permit authority set forth Charter Section B3.581.

21 Sec. 6.12 **Permits-Athletic Events.** Athletic areas and structures, such as baseball  
22 diamonds, soccer pitches, football fields, and swimming pools may be reserved by obtaining a permit  
23 from the Commission.  
24  
25

1           Sec. 6.13       **Permits Requested by Governmental Units.** Any processing or user fee  
2 established by the Commission for the use of park property may be waived where the applicant is the  
3 United States of America, the State of California or subdivision thereof, an agency or commission of  
4 the City and County of San Francisco, or other governmental unit.

5           Sec. 6.14       **Permits-Rights Granted.** Any person possessing a valid permit, which states  
6 that an area has been reserved for such person's use, has the exclusive right to use the area or facility  
7 specified in the permit for the time specified. It shall be unlawful for any person to refuse to leave an  
8 area or facility which has been reserved by a valid permit when asked to do so by the person or party  
9 displaying such permit, by a Commission employee, by a police officer, or by a member of the Park  
10 Patrol, and no person shall in any manner disturb or interfere with any person or party occupying the  
11 area under such a permit, nor with the belongings of such person or party.

12           Sec. 6.15       **Duties of Permittee.** It shall be the duty of every permittee:

13           (A) To obey all laws and the terms and conditions of the permit;

14           (B) To clean the area used after the permitted activity is over and to restore the area and  
15 property used to the same condition as existed prior to the activity; and

16           (C) To reimburse the Commission for any expenses incurred by it, including the cost of labor, in  
17 cleaning and restoring the park or making repairs to property and equipment, which expenses may be  
18 occasioned by the permitted activity.

19           Sec. 6.16       **Permits-Failure to Obtain.** It shall be unlawful for any person to conduct or  
20 sponsor any activity which requires a permit without first having obtained the appropriate permit and,  
21 when requested to do so by a Commission employee, a member of the Park Patrol, or by a police  
22 officer, displaying such permit. Furthermore, it shall be unlawful to participate in such an activity with  
23 knowledge that it is being conducted without a permit when a permit is required pursuant to this Code.  
24  
25

1           Sec. 6.17       **Procedure for Billing Costs.** Within 30 days of the exercise of any permit, the  
2 Executive Director shall determine and transmit to the permittee a bill for all cost above and beyond  
3 normal cleaning cost which are or will be incurred by the Commission in cleaning or restoring any park  
4 or making repairs to property and equipment, which costs were occasioned by, or arose out of, the  
5 activity engaged in pursuant to the permit. The permittee shall have 30 days from the transmission of  
6 such bill in which to pay or request adjustment of the same. Any request for adjustment shall be  
7 transmitted in writing to the Executive Director, who shall determine whether an adjustment is proper.  
8 The permittee shall pay the bill or adjusted bill promptly upon transmission to the permittee of a  
9 statement of the determination of the Executive Director with respect to the adjustment. Any request  
for adjustment shall be deemed waived if not timely or if not transmitted in writing.

10           Sec. 6.18       **Violation of Permit Conditions.** Whenever a permittee or those under the  
11 control of the permittee violate any condition contained in the permit, a member of the San Francisco  
12 Police Department may revoke the permit. It shall be unlawful for any person to continue to engage in  
13 an activity for which a permit was required and issued after the permit has been revoked pursuant to  
14 this Section, provided, however, that no person shall be in violation of this Section until notice has been  
15 given that the permit has been revoked.

16           Sec. 6.19       **Appeal.** The Commission shall by resolution adopt procedures for the appeal of  
17 the denial of a permit application to the Commission or, in those instances when a quorum of the  
18 Commission cannot be convened in a timely manner, to the Executive Director. The Commission or  
19 the Executive Director shall afford the applicant an opportunity for a hearing and may reverse, affirm or  
20 modify in any regard the determination of the Executive Director concerning the denial of a permit  
21 application. When the Commission affirms the denial of a permit application such a decision shall be  
22 based on one or more of the reasons listed in Section 6.7 of this Code. This duty may not be delegated.
