[Extending Redevelopment Agency's Times for Incurring and Repaying Debt.]

Ordinance approving, for the redevelopment plans listed below, the elimination of the existing time limits in each plan for establishment of loans, advances and indebtedness: (1) the Western Addition Area A-2 Redevelopment Plan, (2) the Yerba Buena Center Redevelopment Plan, (3) the Rincon Point - South Beach Redevelopment Plan, and (4) the Embarcadero-Lower Market (Golden Gateway) Redevelopment Plan.

Be it ordained by the People of the City and County of San Francisco:

Section 1. The Board of Supervisors of the City and County of San Francisco hereby finds and declares as follows:

- a. The Board of Supervisors originally approved the Western Addition Area A-2 Redevelopment Plan by adopting Ordinance No. 273-64 on October 13, 1964. The Western Addition Area A-2 Redevelopment Plan has since been amended six times. The Western Addition Area A-2 Redevelopment Plan prohibits the San Francisco Redevelopment Agency from incurring any debt for that project after January 1, 2004 and from repaying any such debt after January 1, 2019.
- b. The Board of Supervisors originally approved the Yerba Buena Center Redevelopment Plan by adopting Ordinance No. 98-66 on April 25, 1966. The Yerba Buena Center Redevelopment Plan has since been amended ten times. The Yerba Buena Center Redevelopment Plan prohibits the San Francisco Redevelopment Agency from incurring any debt for that project after January 1, 2004 and from repaying any such debt after January 1, 2019.
- c. The Board of Supervisors originally approved the Rincon Point South Beach Redevelopment Plan by adopting Ordinance No. 14-81 on January 5, 1981.

The Rincon Point - South Beach Redevelopment Plan has since been amended eight times. The Rincon Point - South Beach Redevelopment Plan prohibits the San Francisco Redevelopment Agency from incurring any debt for that project after January 1, 2004 and from repaying any such debt after January 5, 2031.

- d. The Board of Supervisors originally approved the Embarcadero-Lower Market (Golden Gateway) Redevelopment Plan by adopting Ordinance No. 301-59 on May 25, 1959. The Embarcadero-Lower Market (Golden Gateway) Redevelopment Plan has since been amended nine times. The Embarcadero-Lower Market (Golden Gateway) Redevelopment Plan prohibits the San Francisco Redevelopment Agency from incurring any debt for that project after January 1, 2004 and from repaying any such debt after January 1, 2019.
- e. The redevelopment plans described and referred to in items 1 through 4 above are collectively referred to herein as the "Affected Redevelopment Plans."
- f. Section 33333.6 of the Health and Safety Code (as it read in 2001) required all redevelopment plans adopted on or before December 31, 1993 to establish time limits for (a) incurring debt which shall not exceed 20 years from the adoption of the redevelopment plan or January 1, 2004, whichever is later; and (b) repaying such indebtedness which shall not exceed 10 years after the effectiveness of the redevelopment plan or January 1, 2009, whichever is later.
- g. In 2001, the California Legislature adopted Senate Bill 211 which, among other things, amended Section 33333.6(e)(2) of the Health and Safety Code to allow certain redevelopment plans to be amended by the Board of Supervisors of the City and County of San Francisco by the adoption of an ordinance that eliminates the time limits required under Section 33333.6 of the Health and Safety Code for the establishment of loans, advances and indebtedness required prior to January 1, 2002.

- h. The Agency has proposed eliminating the time limits for each of the Redevelopment Plans on establishing and incurring loans, advances and indebtedness as permitted under Senate Bill 211 and has transmitted to the Clerk of the Board of Supervisors a certified copy of Agency Resolution 42-2003, adopted April 8, 2003, recommending such an amendment to each of the Redevelopment Plans. A copy of the Agency Resolution is on file with the Clerk of the Board of Supervisors in File No. 030637
- i. On May 2, 2003, the Planning Department determined that the proposed ordinance to eliminate the time limits for the establishment of loans, advances and indebtedness is exempt from the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq. and hereafter referred to as "CEQA") as a non-physical exemption under CEQA Guidelines Section 15060(c)(3) and Section 15378. A copy of the Planning Department's determination is on file with the Clerk of the Board of Supervisors in File No. 030637 and is incorporated by reference as though fully set forth herein. The Board of Supervisors adopts as its own the determination of the City Planning Department as stated hereinabove.
- j. The elimination of existing time limits for incurring debt under Senate Bill
   211 does not change the deadlines for the expiration of the Affected Redevelopment
   Plans and for repayment of debt associated with those plans.
- k. By June 30, 2004, the Agency intends to seek, under Section 33333.7 of the Health and Safety Code (Senate Bill 2113), the Board of Supervisors' approval to extend the time for the repayment of debt in the Affected Redevelopment Plans for the purpose of incurring additional debt exclusively for Low and Moderate Income Housing Fund activities, unless the Board of Supervisors finds that the project area covered by

a particular Affected Redevelopment Plan contains significant blight and there exists a need for additional tax increment revenues to alleviate the blight.

Section 2. Pursuant to Section 33333.6 (e)(2) of Health and Safety Code, the Board of Supervisors of the City and County of San Francisco hereby approves the elimination of time limits on the establishment of loans, advances and indebtedness as to each of the Affected Redevelopment Plans referred to in Section 1 above,
