6 Drive between Kezar Drive and Transverse Drive and the western side of Hagiwara Tea

22 Be it ordained by the People of the City and County of San Francisco:

23 Section 1. The Planning Department has determined that the actions contemplated in
24 this Ordinance are in compliance with the California Environmental Quality Act (California
25 Public Resources Code sections 21000 et seq.). Said determination is on file with the Clerk of

1 the Board of Supervisors in File No. 070269 and is incorporated herein by
2 reference.

3 Section 2. In 2006, Mayor Newsom and Supervisor McGoldrick jointly commissioned a
4 study of the weekend access conditions to and around Golden Gate Park in light of the long-
5 standing Sunday road closure of John F. Kennedy Drive and the vehicular access to this area
6 that is allowed on Saturdays. In response to this request, the San Francisco County
7 Transportation Authority, in consultation with the San Francisco Municipal Transportation
8 Agency, prepared and published the Golden Gate Park Transportation Access Study, Report
9 on Weekend Access Conditions Summer 2006 (February 2007). This report is on file with the
10 Clerk of the Board of Supervisors in File No. 070269 and is incorporated herein by
11 reference. Based on the findings of this report and discussions among affected stakeholders,
12 elected officials, and City departments, the Board has determined that a ~~six-month trial~~
13 temporary closure of a portion of John F. Kennedy Drive in Golden Gate Park on Saturdays is
14 warranted in order to generate additional data and information as well as to provide for
15 expanded opportunities for healthy recreational activity and enjoyment of the Park on
16 Saturdays. For purposes of this legislation, the Board hereby acknowledges and adopts the
17 findings of this report as its own.

18 Section 3. The San Francisco Park Code is hereby amended by adding Section 6.13
19 to read as follows:

20 SEC. 6.13. PROHIBITION ON MOTOR VEHICLE TRAFFIC IN GOLDEN GATE PARK ON
21 SATURDAYS.

22 (a) Findings and Purpose.

23 (i) This legislation supports and is in furtherance of the findings set forth in Section
24 6.12.

25 (ii) The public interest will be served by a temporary Saturday closure, on a trial

1 basis, of John F. Kennedy Drive, between Kezar Drive and Transverse Drive and the western side
2 of Hagiwara Tea Garden Drive, and closures of portions of adjacent roads of Stow Lake Drive
3 East connecting with that portion of John F. Kennedy Drive. ~~The limited vehicular access to the~~
4 ~~Golden Gate Park Concourse area and the CAS provide an opportunity to extend to~~
5 ~~Saturdays the popular Sunday and holiday road closures in Golden Gate Park on a trial basis.~~
6 ~~This coincides with the CAS' closure, and thus has no possible negative impact on the.~~ This
7 trial period of Saturday road closures will expand the possibilities for recreational and other
8 uses of Golden Gate Park during the six-month period of the road closures, and will provide
9 useful information to aid the City in making future decisions about Saturday road closures in
10 the Park.

11 (iii) This trial specified period of Saturday road closures is necessary for the safety and
12 protection of persons who would use these roads during the temporary closures.

13 (b) Saturday Road Closures. The following roads in Golden Gate Park shall be closed to
14 motor vehicle traffic on Saturdays, from 6:00 a.m. to 5:00 p.m. Pacific Standard Time and 6:00 a.m.
15 to 6:00 p.m. Pacific Daylight Time, regardless of subject to the inclement weather conditions
16 protocols that apply to the current Sunday road closures, which involve removal of the road
17 closure barriers at 2:00 p.m. if it is raining: John F. Kennedy Drive between Kezar Drive and
18 Transverse Drive and the western side of Hagiwara Tea Garden Drive; Arguello Boulevard;
19 Conservatory Drive East and Conservatory Drive West; 8th Avenue; Bowling Green Drive
20 between John F. Kennedy Drive and Middle Drive East; and Stow Lake Drive between Stow Lake
21 Drive East and John F. Kennedy Drive. The Recreation and Park Department, with the assistance, as
22 needed, of other City departments, shall arrange for appropriate barriers to motor vehicles to be
23 placed at entrances to Golden Gate Park and within Golden Gate Park so as to effectuate the
24 aforementioned street closures. The Saturday road closures mandated in this subsection (b) shall be in
25 effect beginning Saturday May 5, 2007 and continuing for six (6) months thereafter until

1 Saturday November 3, 2007 on May 26, 2007 and continuing until September 29, 2007.

2 (c) The disability access standards, exempt motor vehicles provision, and the emergency
3 authority of the General Manager, as set forth in Sections 6.12(b), (c), and (d), respectively, shall apply
4 to the Saturday road closures established herein. The Saturday closures established herein also
5 shall be subject to the following additional conditions:

6 (i) Notwithstanding the starting date for the closures set forth in subsection (b),
7 such closures shall not be implemented until the Director of the Mayor's Office of Disability, in
8 consultation with the Recreation and Park Department and the DeYoung Museum Access
9 Division, has confirmed in writing that physical accessibility is provided through the closure
10 area compliant with the Americans with Disabilities Act.

11 (ii) Vehicle deliveries to the DeYoung Museum loading dock during the
12 Saturday closure are specifically acknowledged and authorized herein. Such vehicles shall
13 have unimpeded access to the Museum's loading dock from John F. Kennedy Drive through
14 the road closure area. The DeYoung Museum shall develop appropriate protocols that
15 provide for unencumbered delivery access to its loading dock and maintain safety of
16 individuals within the road closure area. The Museum shall evaluate such protocols and
17 delivery activities on a regular basis to ensure that adequate delivery access and public safety
18 are maintained. If necessary, the Recreation and Park Department, in consultation with the
19 Mayor's Office, shall institute additional or modified methods that ensure adequate delivery
20 access to the Museum and public safety.

21 (iii) The Recreation and Park Department, in consultation with the Mayor's
22 Office of Disability, shall develop appropriate signage for the Saturday Road closure to
23 minimize any traffic disruption.

24 (d) Effect on Sunday and Holiday Road Closures. Except as provided in subsection (d),
25 this This section is not intended to have any effect on street closures in Golden Gate Park on Sundays

1 ~~and holidays, or to limit the authority of the Recreation and Park Commission to expand road~~
2 ~~closures in Golden Gate Park on Sundays and holidays beyond their present scope or to~~
3 ~~extend road closures in Golden Gate Park to other days.~~

4 (e) Conflict With Other Provisions of Law. If any provision of this section conflicts with an
5 earlier enacted provision of this Article or of any other earlier enacted provision of law, and the
6 conflict cannot be reasonably reconciled, the provision of this section shall govern.

7 (f) Severability. If any provision, sentence, clause, or other part of this section is held to be
8 invalid or unlawful, such a holding shall not limit or abrogate other parts of this section that can be
9 given effect independently of the invalid or unlawful provision, sentence, clause, or part. If the
10 application of a provision, sentence, clause, or other part of this section to a person or class of persons,
11 or to a specific circumstance, is held to be invalid or unlawful, such a holding shall not limit or
12 abrogate other applications of the same provision, sentence, clause, or part that can be given effect
13 independently of the invalid or unlawful application.

14 Section 4. This Section shall be uncodified. (a) Departmental Reports on the
15 Saturday road closure. (i) The Recreation and Park Department, in consultation with such
16 other departments as it deems appropriate, shall ~~conduct a study of~~ prepare a report on the
17 impact of the Saturday road closures on use of Golden Gate Park and its attractions, including
18 particularly disability access, vehicular deliveries to the DeYoung Museum's loading dock, and
19 recreational and other use of the roads closed to motor vehicle traffic. By no later than
20 December 15, 2007, the Recreation and Park Department shall transmit to the Board of
21 Supervisors a written report ~~detailed the results of its study,~~ including any recommendations it
22 deems appropriate.

23 ~~(ii) The Department of Parking and Traffic, in consultation with such other departments~~
24 ~~as it deems appropriate, shall conduct a study of the impact of the Saturday road closures on~~
25 ~~parking and traffic patterns in neighborhoods adjacent to Golden Gate Park and on patterns of~~

1 ~~cross-traffic in the Park. By no later than December 15, 2007, the Department of Parking and~~
2 ~~Traffic shall transmit to the Board of Supervisors a written report detailing the results of its~~
3 ~~study, including any recommendations it deems appropriate.~~

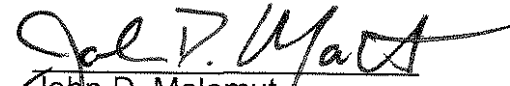

4 ~~(iii) Within two (2) weeks after the initial three (3) months of the Saturday closure, the~~
5 ~~Department of Park and Recreation and the Department of Parking and Traffic shall submit to~~
6 ~~the Board preliminary reports addressing the issues identified in subsections (a)(1) and (a)(ii)~~
7 ~~above. The reports also shall describe problems observed during this initial closure period~~
8 ~~and any actions taken to abate such problems.~~

9 ~~(iv) The Golden Gate Park Concourse Authority shall cooperate with the Recreation~~
10 ~~and Park Department and the Department of Parking and Traffic in connection with the~~
11 ~~studies mandated in subsections (a)(i) (ii), by sharing data and reports of its own that are~~
12 ~~relevant to those respective studies.~~

13 ~~(b) Board of Supervisors Hearing. The Board of Supervisors or a committee thereof~~
14 ~~shall conduct a hearing on the Saturday road closures within one month of receiving the~~
15 ~~reports required by subsections (a)(i) and (a)(ii). Improvements on and adjacent to Middle~~
16 ~~Drive West. The Recreation and Park Department, subject to any necessary approvals from~~
17 ~~the Recreation and Park Commission and shall develop and implement a capital improvement~~
18 ~~and programmatic plan for Middle Drive West between Transverse Drive and Metson Road~~
19 ~~(the "Plan"). The intent of such Plan is to enhance the recreational uses in this area for bikers,~~
20 ~~walkers, skaters, and other park visitors. The Plan may include, but is not limited to, road~~
21 ~~surface repairs, concessions, and restrooms. The Plan shall be prepared in consultation with~~
22 ~~affected community stakeholders, such as bicyclist and other Park recreational users, persons~~
23 ~~with disabilities, neighborhood organizations on both the north and south sides of the Park,~~
24 ~~and the institutions within the Park. In addition, it is anticipated that private philanthropic~~
