14 Be it ordained by the People of the City and County of San Francisco:

15
16 Section 1. Environmental Findings. The Planning Department has determined that the
17 actions contemplated in this ordinance comply with the California Environmental Quality Act
18 (California Code Section 21000 et seq.). Said determination is on file with the Clerk of the
19 Board of Supervisors in File No. 120434 and is incorporated herein by reference.

20
21 Section 2. Factual Findings.

22 (a) San Francisco has been plagued with a rash of metal theft. On a regular basis,
23 thieves steal copper and other metals from residences, businesses, municipal properties,
24 transportation systems, and utility companies. That theft causes thousands of dollars in
25

1 losses and can interrupt the delivery of crucial utility services and the operations of transit
2 systems. Once stolen, metal is often stripped of any outer, exterior coating, and then sold to
3 businesses like junk dealers that pay up to \$4.00 per pound. Recent incidents of large scale
4 metal theft have raised awareness of the need for law enforcement to ensure that junk dealers
5 comply with California state laws regarding junk dealing.

6 (b) California Business and Professions Code section 21601 defines a junk dealer as
7 anyone "engaged in the business of buying, selling and dealing in junk, any person
8 purchasing, gathering, collecting, soliciting or traveling about from place to place procuring
9 junk, and any person operating, carrying on, conducting or maintaining a junk yard or place
10 where junk is gathered together and stored or kept for shipment, sale or transfer."

11 (c) California Business and Professions Code section 21600 defines junk as "any and
12 all secondhand and used machinery and all ferrous and nonferrous scrap metals and alloys,
13 including any and all secondhand and used furniture, pallets, or other personal property, other
14 than livestock, or parts or portions thereof."

15 (d) California Business and Professions Code section 21602 defines junk yard as
16 including "any yard, plot, space, enclosure, building or any other place where junk is collected,
17 stored, gathered together and kept."

18 (e) Junk dealers provide a great service by enabling San Francisco residents and
19 businesses to recycle lawfully acquired copper and other metals, as well as other excess or
20 unwanted items. However, the San Francisco Police Department has conducted numerous
21 investigations and identified junk dealers purchasing stolen materials, accepting false
22 documents, and failing to follow state law and local licensing and permitting requirements.

23 (f) The purpose of this legislation is to ensure that junk dealers in San Francisco
24 operate their businesses in compliance with the substantive state laws that govern their
25

1 operations. In addition, by requiring junk dealers to comply with local law enforcement to
2 renew their permits annually, the City and County of San Francisco can improve oversight and
3 regulation of these businesses, to minimize criminal incidents and better protect the public
4 safety and welfare.

5 (g) Clarification of the definition of junk dealer renders unnecessary the current "junk
6 gatherers" definition and permit in the Police Code.

7 (h) The amendments in this Ordinance clarify the permit process for junk dealers in
8 San Francisco and conform that permitting process to similar permitting schemes, such as
9 those for Commercial Parking Permits and Tow Car Firms.

10
11 Section 3. The San Francisco Police Code is hereby amended by amending Sections
12 974.1, 974.2, 974.4, 974.8, 974.9, 974.10-1, 974.11, 974.14-1, 974.14-2, 974.21 and 974.22
