1  
2 Section 1. Environmental, Planning Code, and General Plan Findings.

3 (a) The Planning Department has determined that the actions contemplated in this  
4 ordinance comply with the California Environmental Quality Act (California Public Resources  
5 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
6 Supervisors in File No. 150348 and is incorporated herein by reference. The Board affirms  
7 this determination.

8 (b) On July 2015 the Planning Commission, in Resolution No. 19405, adopted findings  
9 that the actions contemplated in this ordinance are consistent, on balance, with the City's  
10 General Plan and eight priority policies of Planning Code Section 101.1. The Board adopts  
11 these findings as its own. A copy of said Resolution is on file with the Clerk of the Board of  
12 Supervisors in File No. 150348, and is incorporated herein by reference.

13 (c) Pursuant to Planning Code Section 302, this Board finds that this Planning Code  
14 Amendment will serve the public necessity, convenience, and welfare for the reasons set forth  
15 in Planning Commission Resolution No. 19405, and the Board incorporates such reasons  
16 herein by reference.

17  
18 Section 2. General Findings.

19 (a) The Board of Supervisors finds that the Inclusionary Affordable Housing  
20 Program ("Inclusionary Program"), adopted in 2002 by Ordinance No. 37-02, was originally  
21 intended to apply and has always applied to group housing projects. Ordinance No. 37-02  
22 provided that the Inclusionary Program applied to all applications for "housing projects" filed  
23 on or after June 18, 2001. The definition of "Housing project" in Ordinance No. 37-02 states  
24 that it includes a broad variety of developments "which are intended to provide long-term  
25 housing to individuals and households." The 2002 definition specifically included group

1 housing, among other forms of housing. The definition of "Housing project" currently found in  
2 Planning Code Section 401 has not changed in any material respect since the adoption of  
3 Ordinance No. 37-02. It continues to specifically include group housing. The Board finds that  
4 the definition of "Housing project" specifically includes group housing in a broad definition of  
5 housing to insure that all types of developments that are intended to provide long-term  
6 housing to individuals and households are subject to the requirements of the Inclusionary  
7 Program.

8 (b) The Board has learned that, at some point since the adoption of the Inclusionary  
9 Program, the Planning Department began to disregard the specific reference to group housing  
10 as a "Housing project" subject to the Inclusionary Program. It is the Board's understanding  
11 that in reaching this conclusion the Department relied on language in the Inclusionary  
12 Program that sets a threshold of application to "10 or more units." The Department concluded  
13 that group housing is not measured in "units" and is not comprised of "dwelling units" as  
14 defined in the Planning Code. The Inclusionary Housing ordinance, however, does not use  
15 the Planning Code definition of "Dwelling Unit" that excludes group housing, but rather refers  
16 broadly to "dwelling units" as defined in the San Francisco Housing Code. That definition can  
17 include group housing that meets certain requirements. The Department's interpretation was  
18 never formalized in a written Zoning Administrator determination under Planning Code Section  
19 307 that could have been appealed to the Board of Appeals. Thus, neither the Board nor the  
20 public were aware of the Department's unofficial policy to exclude group housing projects from  
21 the application of the Inclusionary Program.

22 (c) To reiterate the original intent of Ordinance 37-02, the Board of Supervisors  
23 adopts this ordinance to specifically require the Planning Department and Department of  
24 Building Inspection to follow the original intent and the express language of the Planning Code  
25

1 to apply the Inclusionary Program to group housing and all other forms of housing intended to  
2 provide long-term housing to individuals and households.

3  
4 Section 3. The Planning Code is hereby amended by revising Sections 124, 140, 207,  
5 307, 401 and 415.6 to read as follows:

6 **SEC. 124. BASIC FLOOR AREA RATIO.**

7 \* \* \* \*

8 (f) For buildings in C-3-G and C-3-S Districts, other than those designated as  
9 Significant or Contributory pursuant to Article 11 of this Code, additional square footage above  
10 that permitted by the base floor area ratio limits set forth above may be approved for  
11 construction of dwellings on the site of the building affordable for the Life of the Project, as  
12 defined in Section 401~~20 years~~ to households whose incomes are within 150 percent of AMI,  
13 ~~the median income as defined in Section 401~~herein, for ownership units and up to 120% of  
14 AMI for rental units, in accordance with the conditional use procedures and criteria as  
15 provided in Section 303 of this Code. For buildings in the C-3-G District designated as  
16 Significant or Contributory pursuant to Article 11 of this Code, additional square footage above  
17 that permitted by the base floor area ratio limits set forth above up to the Gross Floor Area of  
18 the existing building may be approved, in accordance with the conditional use procedures and  
19 criteria as provided in Section 303 of this Code, where: (1) TDRs (as defined by Section  
20 128(a)(5)) were transferred from the lot containing the Significant or Contributory building prior  
21 to the effective date of the amendment to Section 124(f) adding this paragraph when the floor  
22 area transferred was occupied by a non profit corporation or institution meeting the  
23 requirements for exclusion from Gross Floor Area calculation; (2) the additional square  
24 footage includes only the amount necessary to accommodate dwelling units and/or group  
25 housing units that are affordable for ~~not less than 50 years~~ the Life of the Project to

1 households whose incomes are within 60 percent of the median income AMI as defined  
2 herein together with any social, educational, and health service space accessory to such  
3 units; and (3) the proposed change in use to dwelling units and accessory space and any  
4 construction associated therewith, if it requires any alternation to the exterior or other  
5 character defining features of the Significant or Contributory Building, is undertaken pursuant  
6 to the duly approved Permit to Alter, pursuant to Section 1110, provided, however, that the  
7 procedures otherwise required for a Major Alteration as set forth in Sections 1111.4 and  
8 1111.5 and shall be deemed applicable to any such Permit to Alter. (1) Any dwelling  
9 approved for construction under this provision shall be deemed a "Designated Unit " as  
10 defined below. Prior to the issuance by the Director of the Department of Building Inspection  
11 ("Director of Building Inspection") of a First Construction Document site or building permit to  
12 construct any Designated Unit subject to this Section, the permit applicant shall notify the  
13 Director of Planning and the Director of MOHCD Property in writing whether the Designated  
14 Unit will be an owned or rental unit as defined in Section 401 of this Code. If any Designated  
15 Units will be rental units, the project sponsor must follow the procedures in Section  
16 415.5(g)(2). As provided in that subsection, the Planning Director or the Director of MOHCD,  
17 may execute such an agreement under the terms specified in Section 415.5(g)(2).

18 (2) ~~Within 60 days after the issuance by the Director of Building Inspection of a~~  
19 ~~First Construction Document site or building permit for construction of any unit intended to be~~  
20 ~~an owned unit, the Director of Planning shall notify the City Engineer in writing identifying the~~  
21 ~~intended owned unit, and the Director of Property shall appraise the fair market value of such~~  
22 ~~unit as of the date of the appraisal, applying accepted valuation methods, and deliver a written~~  
23 ~~appraisal of the unit to the Director of Planning and the permit applicant. The permit applicant~~  
24 ~~shall supply all information to the Director of Property necessary to appraise the unit, including~~  
25 ~~all plans and specifications.~~

1       ~~(3) Unless specifically stated in this Section 124(f), e~~Each designated unit shall be  
2 subject to the provisions of Section ~~415413~~ of this Code. For purposes of this Subsection and  
3 the application of Section ~~415413~~ of this Code to ~~D~~designated ~~U~~units constructed pursuant to  
4 this Subsection, the definitions set forth in Section 401 of this Code shall apply, ~~with the~~  
5 ~~exception of the following definitions, which shall supersede the definitions of the terms set~~  
6 ~~forth in Section 401:~~

7       ~~(A) "Base price" shall mean 3.25 times the median income for a family of~~  
8 ~~four persons for the County of San Francisco as set forth in California Administrative Code~~  
9 ~~Section 6932 on the date on which a housing unit is sold.~~

10       ~~(B) "Base rent" shall mean 0.45 times the median income for the County~~  
11 ~~of San Francisco as set forth in California Administrative Code Section 6932 for a family of a~~  
12 ~~size equivalent to the number of persons residing in a household renting a designated unit.~~

19 ~~qualifying limit for a median income family of a size equivalent to the number of persons~~  
20 ~~residing in such household, as set forth for the County of San Francisco in California~~  
21 ~~Administrative Code Section 6932.~~

22       ~~(E) "Sponsor" shall mean an applicant seeking approval for construction~~  
23 ~~of a project subject to this Subsection and such applicants' successors and assigns.~~

1 (3) Except as specifically specified herein, Designated Units shall meet all of the  
2 procedures, pricing methodology, monitoring obligations and other requirements of the  
3 Inclusionary Housing Procedures Manual and either:

4 (A) Be used to satisfy the requirements of the Inclusionary Affordable  
5 Housing Program, Section 415 et seq. and meet all of the requirements of that Program,  
6 including the income limits specified therein; or

7 (B) Meet the requirements of this subsection (f), including the income  
8 limits specified, and be family sized, meaning that each Designated Unit contains at least 2 or  
9 3 bedrooms. In the event that the Designated Unit is not also an On- or Off-site Unit under  
10 Section 415, Designated Units shall not be used to determine the required unit size mix for  
11 purposes of the Inclusionary Affordable Housing Program.

12 (4) MOHCD shall update its Procedures Manual if necessary to include any  
13 specific provisions related to Designated Units.

14 (5) Affordable unit gross square footage which is exempted per this section for FAR  
15 shall not be exempted for impact fees that are levied on a gross square foot or FAR basis.

16 **SEC. 140. ALL DWELLING UNITS IN ALL USE DISTRICTS TO FACE ON AN OPEN**  
17 **AREA.**

18 (a) **Requirements for Dwelling Units.** With the exception of dwelling units in single  
19 room occupancy buildings in the South of Market Mixed Use Districts, in each dwelling unit in  
20 any use district, the required windows (as defined by Section 504 of the San Francisco  
21 Housing Code) of at least one room that meets the 120-square-foot minimum superficial floor  
22 area requirement of Section 503 of the Housing Code shall face directly on an open area of  
23 one of the following types:

24 (1) A public street, public alley at least 20 feet in width, side yard at least 25  
25 feet in width, or rear yard meeting the requirements of this Code; provided, that if such

1 windows are on an outer court whose width is less than 25 feet, the depth of such court shall  
2 be no greater than its width; or

3 (2) An open area (whether an inner court or a space between separate  
4 buildings on the same lot) which is unobstructed (except for fire escapes not projecting more  
5 than necessary for safety and in no case more than four feet six inches, chimneys, and those  
6 obstructions permitted in Sections 136(c)(14), (15), (16), (19), (20) and (29) of this Code) and  
7 is no less than 25 feet in every horizontal dimension for the floor at which the dwelling unit in  
8 question is located and the floor immediately above it, with an increase of five feet in every  
9 horizontal dimension at each subsequent floor, except for single room occupancy buildings in  
10 the Eastern Neighborhoods Mixed Use Districts, which are not required to increase five feet in  
11 every horizontal dimension until the fifth floor of the building.

12 (b) Requirements for Group Housing. For group housing projects, either each bedroom  
13 or at least one interior common area that meets the 120 square-foot minimum superficial floor  
14 area requirement of Section 503 of the Housing Code shall include windows meeting the  
15 requirements of subsections a(1) or a(2) above. The requirements of this subsection (b) may  
16 be waived by the Zoning Administrator per Section 307(m) of this Code.

17 (c) **Exceptions.** For historic buildings identified in Section 307(h), and for the  
18 conversion of a nonconforming use in an existing building to a residential use in a district  
19 where the residential use is principally permitted, the requirements of this Section 140 may be  
20 modified or waived pursuant to the procedures and criteria set forth in Sections 307(h)  
21 and 329. This administrative exception does not apply to new additions to historic buildings.

## 22 **SEC. 207. DWELLING UNIT DENSITY LIMITS.**

23 (c) Exceptions to Dwelling Unit Density Limits. An exception to the calculations under  
24 this Section shall be made in the following circumstances:

1           (1) Affordable Units in Projects with 20 Percent or More Affordable Units. For  
2 projects that are not located in any RH-1 or RH-2 zoning district, or are not seeking and  
3 receiving a density bonus under the provisions of California Government Code Section 65915,  
4 where 20 percent or more of the Dwelling Units on-site are "Affordable Units," the on-site  
5 Affordable Units shall not count towards the calculation of dwelling unit density. This Planning  
6 Code Section does not provide exceptions to any other Planning Code requirements such as  
7 height or bulk. For purposes of this Section 207, "Affordable Units" shall be defined as  
8 meeting (1) the criteria of Section 406(b); (2) the requirements of Section 415 et seq. for on-  
9 site units; or (3) restricted units in a project using California Debt Limit Allocation Committee  
10 (CDLAC) tax-exempt bond financing and 4 percent tax credits under the Tax Credit Allocation  
11 Committee (TCAC). If a project sponsor proposes to provide "Affordable Units" that are not  
12 restricted by any other program, in order to receive the benefit of the additional density  
13 permitted under this Subsection (c)(1) or Subsection (c)(2), the project sponsor shall elect and  
14 the Planning Department and MOHCD shall be authorized to enforce, restricting the units as  
15 affordable under Planning Code Section 415.6 up to a maximum of 20 percent of the units in  
16 the principal project. The project sponsor shall make such election through the procedures  
17 described in Section 415.5(g) including submitting an Affidavit of Compliance indicating the  
18 project sponsor's election to pursue the benefits of Subsection (c)(1) or (c)(2) and committing  
19 to 20% on-site units restricted under Section 415.6 prior to approval by the Planning  
20 Commission or Planning Department staff. If a project sponsor obtains the exemption from  
21 the density calculation for Affordable Units provided in this subsection, the exemption shall be  
22 recorded against the property. Any later request to decrease the number of Affordable Units  
23 shall require the project to go back to the Planning Commission or Planning Department,  
24 whichever entity approved the project as a whole.

1 (2) Affordable Units in RTO Districts. In the RTO District, on site Dwelling Units  
2 that are "Affordable Units," as defined in Subsection (a), shall not count toward density  
3 calculations or be limited by lot area.

4 (3) Double Density for Senior Housing in RH, RM, RC, and NC Districts.  
5 Senior Housing, as defined in and meeting all the criteria and conditions defined in Section  
6 102 of this Code, is permitted up to twice the dwelling unit density otherwise permitted for the  
7 District.

8 (A) Projects in RC Districts or within one-quarter of a mile from an RC or  
9 NC-2 (Small-Scale Neighborhood Commercial District) zoned area or higher, including Named  
10 Commercial Districts, and located in an area with adequate access to services including but  
11 not limited to transit, shopping and medical facilities, shall be principally permitted.

12 (B) Projects in RH and RM Districts located more than one-quarter of a  
13 mile from an RC or NCD-2 (Small-Scale Neighborhood Commercial District) zoned area or  
14 higher, including Named Commercial Districts, shall require Conditional Use authorization.

15 (4) Accessory Dwelling Units.

16 (A) Definition. An "Accessory Dwelling Unit," also known as a  
17 Secondary Unit or In-Law Unit, is defined for purposes of this Subsection 207(c)(4) as an  
18 additional Dwelling Unit that:

19 (i) is constructed entirely within the existing built envelope of an  
20 existing building zoned for Residential use or within the envelope of an existing and  
21 authorized auxiliary structure on the same lot; and

22 (ii) will be constructed with a complete or partial waiver from the  
23 Zoning Administrator of the density limits and/or the parking, rear yard exposure, or open  
24 space standards of this Code pursuant to the provisions of this Section 207(c)(4) and Section  
25 307(l) of this Code.

1 As used in this Section 207, the term Accessory Dwelling Unit is separate and distinct  
2 from the term "dwelling units accessory to other uses" in Section 204.4.

3 (B) Applicability. The exceptions permitted by this Subsection 207(c)(4)  
4 shall apply only to:

5 (i) lots within the Castro Street Neighborhood Commercial District  
6 (NCD) or within 1,750 feet of the Castro Street NCD boundaries, excluding any lot within 500  
7 feet of Block 2623 Lots 116 through 154; and

8 (ii) lots located in a building undergoing mandatory seismic  
9 retrofitting in compliance with Section 34B of the Building Code or voluntary seismic  
10 retrofitting in compliance with the San Francisco Department of Building Inspection's  
11 Administrative Bulletin 094.

12 (C) Controls. An Accessory Dwelling Unit is permitted to be constructed  
13 under the following conditions:

14 (i) An Accessory Dwelling Unit shall not be constructed using  
15 space from an existing Dwelling Unit.

16 (ii) Castro Street NCD and Surrounding Area. For Accessory Dwelling  
17 Units on lots covered by Subsection 207(c)(4)(B)(i):

18 a. An Accessory Dwelling Unit shall not be permitted in any RH-  
19 1(D) zoning district.

20 b. An Accessory Dwelling Unit shall be constructed entirely within  
21 the existing building envelope or auxiliary structure, as it existed three (3) years prior to the  
22 time of the application.

23 c. For buildings that have no more than 10 existing dwelling units,  
24 one Accessory Dwelling Unit is permitted; for buildings that have more than 10 existing  
25 dwelling units, two Accessory Dwelling Units are permitted.

1 (iii) Buildings Undergoing Seismic Retrofitting. For Accessory Dwelling  
2 Units on lots covered by Subsection 207(c)(4)(B)(ii):

3 a. An Accessory Dwelling Unit shall not be permitted in any RH-1  
4 or RH-1(D) zoning district.

5 b. If allowed by the Building Code, a building in which an  
6 Accessory Dwelling Unit is constructed may be raised up to three additional feet in height to  
7 create ground-floor ceiling heights suitable for residential use.

8 (iv) Pursuant to the provisions of Section 307(l) of this Code, an  
9 Accessory Dwelling Unit may receive a waiver of the density limits and parking, rear yard,  
10 exposure, or open space standards of this Code from the Zoning Administrator; provided,  
11 however, that if the existing building or any existing dwelling unit within the building is subject  
12 to the provisions of the San Francisco Residential Rent Stabilization and Arbitration  
13 Ordinance (Chapter 37 of the Administrative Code), the property owner shall submit to the  
14 Department (AA) a proposed agreement demonstrating that the Accessory Dwelling Unit(s)  
15 are not subject to the Costa Hawkins Rental Housing Act (California Civil Code Section  
16 1954.50) because, under Section 1954.52(k), the owner has entered into this agreement with  
17 the City in consideration for a direct financial contribution or any other form of assistance  
18 specified in California Government Code Sections 65915 et seq. ("Agreement") and (BB) if  
19 the Planning Director determines necessary, an Affidavit containing information about the  
20 direct financial contribution or other form of assistance provided to the property owner. The  
21 property owner and the Planning Director (or his designee), on behalf of the City, will execute  
22 the Agreement, which shall be reviewed and approved by the City Attorney's Office. The  
23 Agreement shall be approved prior to the City's issuance of the First Construction Document,  
24 as defined in Section 107A.13.1 of the San Francisco Building Code.

1 (D) Monitoring Program.

2 (i) Monitoring of Affordability. The Department shall establish a system  
3 to monitor the affordability of the Accessory Dwelling Units authorized to be constructed by  
4 this Subsection 207(c)(4). Property owners shall provide the Department with rent information  
5 as requested by the Department. The Board of Supervisors recognizes that property owners  
6 and tenants generally consider rental information sensitive and do not want it publicly  
7 disclosed. The intent of the Board is for the Department to obtain the information so that it  
8 can be used by the Department in aggregate form, not in a manner that would be linked to  
9 specific individuals or units. The Department shall only request rental information from  
10 property owners if the notice includes the statement that the Department is acquiring it in  
11 confidence and will publicly disclose it only in aggregate form. The Department shall not ask  
12 property owners to provide rental information if it determines, after consulting with the City  
13 Attorney's Office, that the information would be publicly disclosable under federal, state, or  
14 local law in nonaggregated form.

15 (ii) Department Report. The Department shall publish a report by April  
16 1, 2016, that describes and evaluates the types of units being developed and their affordability  
17 rates. The report shall contain such additional information as the Director determines would  
18 inform decision makers and the public on the effectiveness and implementation of the  
19 Subsection and make recommendations for any amendments or expansion of areas where  
20 Accessory Dwelling Units should be constructed. In subsequent years, information on  
21 Accessory Dwelling Units shall be included in the Housing Inventory.

22 (5) On-site Units in Group Housing projects: For On-site Units in Group  
23 Housing projects subject to Section 415.6 that are not located in any RH-1 or RH-2 zoning  
24 district, or are not seeking and receiving a density bonus under the provisions of California  
25 Government Code Section 65915, the On-site Units in Group Housing projects subject to

1 Section 415.6 shall not count towards the calculation of dwelling unit density. This Planning  
2 Code Section does not provide exceptions to any other Planning Code requirements such as  
3 height or bulk.

4 **SEC. 307. OTHER POWERS AND DUTIES OF THE ZONING ADMINISTRATOR.**

5 In addition to those specified in Sections 302 through 306, and Sections 316 through  
6 316.6 of this Code, the Zoning Administrator shall have the following powers and duties in  
7 administration and enforcement of this Code. The duties described in this Section shall be  
8 performed under the general supervision of the Director of Planning, who shall be kept  
9 informed of the actions of the Zoning Administrator.

10 \* \* \* \*

11 (m) The Zoning Administrator may partially wave the exposure requirements of  
12 Section 140(b) for group housing so that when a qualifying window faces an open area per  
13 subsection 140(a)(2), such open area may be no less than 15 feet in every horizontal direction  
14 and may not be required to expand on subsequent floors.

15 **SEC. 401. DEFINITIONS.**

16 In addition to the specific definitions set forth elsewhere in this Article, the  
17 following definitions shall govern interpretation of this Article:

24 purchase price level for studio units, and, where applicable, adjusted to reflect the  
25
