## NOTICE OF PUBLIC HEARING

### BOARD OF SUPERVISORS OF THE CITY AND COUNTY OF SAN FRANCISCO BUDGET AND FINANCE COMMITTEE

NOTICE IS HEREBY GIVEN THAT the Budget and Finance Committee will hold a public hearing to consider the following proposal and said public hearing will be held as follows, at which time all interested parties may attend and be heard:

**Date:** September 6, 2018

**Time:** 10:00 a.m.

**Location:** Legislative Chamber, Room 250, located at City Hall,  
1 Dr. Carlton B. Goodlett Place, San Francisco, CA

**Subject:** **File No. 180584.** Ordinance amending the Planning Code and the fees set forth in Ordinance No. 149-16 to clarify the fees applicable to projects with no or very low construction cost and to change the fees for transportation analysis; affirming the Planning Department's determination under the California Environmental Quality Act; making findings of consistency with the General Plan, and the eight priority policies of Planning Code, Section 101.1; and adopting findings of public necessity, convenience, and welfare under Planning Code, Section 302.

If the legislation passes, the following fees shall be increased or established for Permits and Transportation Analysis:

- Transportation Study fee shall be increased from \$23,977 to \$25,504 plus time and materials as set forth in Planning Code, Section 350(e). Projects that require a transportation study typically require analysis of several transportation topics within a geographic area that extends beyond the project block.
- Site Circulation Review fee shall be established at \$9,560 plus time and materials as set forth in Planning Code, Section 350(e). Projects that require site circulation review typically require analysis of a limited, localized analysis of a few transportation topics.

The proposed legislation also clarifies that, in most cases, fees would not exceed 50% of the cost of construction; except that the fee could exceed 50% of construction costs for certain enumerated permits that may have lower construction costs. This change does not alter the amount of the fee, but addresses an apparent inconsistency between the text and the table setting forth the actual fees.
