SPECIAL ORDER 2:00 P.M. - Mayor's Appearance Before The Board

240750 [Formal Policy Discussions - July 9, 2024]

Pursuant to Charter, Sections 2.103 and 3.100(7), and Administrative Code, Section 2.11, the Mayor shall discuss eligible topics submitted from the Supervisors. The Mayor may address the Board initially for up to five minutes. Discussion shall not exceed two minutes per question or answer.

Mayoral Address:

Mayor London N. Breed discussed last week's Supreme Court ruling in the Grants Pass v. Johnson case, which determined that cities could enforce bans on public camping even if no alternative shelter is available. Mayor Breed stated that the ruling allows for current city mandated restrictions to be lifted and she is working with the City Attorney's Office on how current polices around homeless encampments will change. Mayor Breed then discussed the City's current homeless outreach plan that provides homeless shelters and services while being firm on the enforcement of regulations and penalties. Mayor Breed then addressed the above referenced topic submitted by the District 5 Supervisor.

The following topic was noticed on the agenda representing District 5:

1. Rent Control

Supervisor Preston began the discussion by asking the following question: Do you support repealing Costa-Hawkins?

Before responding, Mayor Breed asked the City Attorney's office to confirm whether the question was eligible for discussion since the Resolution supporting The Justice for Renters Act (File No. 240684) was on today's agenda. Anne Pearson (Office of the City Attorney) deferred the Mayor's inquiry to President Peskin for response; President Peskin confirmed the question did not relate to File No. 240684.

Mayor Breed responded that she supports rent control and noted the City's efforts in creating affordable housing; however, she does not believe that rent control provides for new housing to be built.

Supervisor Preston then asked a follow-up question: If Costa-Hawkins is repealed, will you support vacancy control regulations? Mayor Breed responded that the item is on the ballot and she has not had the opportunity assess the measure; therefore, she was not yet prepared to state her position on the record.

Following public comment this matter was filed. No further action was taken.
