17 Be it ordained by the People of the City and County of San Francisco:

18 Section 1. Article 41 of the Health Code is hereby amended by adding Division IV,
19 consisting of Sections 4131 to 41356, to read as follows:

20 **DIVISION IV: HOUSING CONSERVATORSHIPS**

21
22 **SEC. 4131. FINDINGS.**

23 (a) State law establishes a procedure for the appointment of a conservator for a person who is
24 determined to be gravely disabled as a result of a mental health disorder or an impairment by chronic
25 alcoholism. Chapter 3 of Part 1 of Division 5 of the California Welfare and Institutions Code. State

1 law also establishes a procedure for the appointment of a conservator for individuals who are unable
2 to properly provide for their needs for physical health, food, clothing and shelter, and for individuals
3 who are substantially unable to manage their finances or resist fraud or undue influence. Division 4 of
4 the California Probate Code.

5 (b) Notwithstanding State and City laws and programs designed to provide care for persons
6 who are unable to care for themselves, some people fall through the cracks. For example,
7 conservatorships under the Lanterman-Petris-Short Act, Chapter 3 of Part 1 of Division 5 of the
8 California Welfare and Institutions Code (“LPS conservatorships”), do not take into consideration
9 substance use disorders other than alcoholism. Therefore, individuals with a serious mental illness and
10 co-occurring substance use disorder other than alcohol can be ineligible for LPS conservatorships,
11 notwithstanding their mental health disorder and resulting needs.

12 (c) Individuals grappling with severe mental illness and a debilitating substance use disorder
13 are often difficult to treat under existing short-term psychiatric programs and outpatient drug
14 treatments available outside of conservatorship; these individuals often cycle in and out of treatment
15 and have difficulty maintaining stable housing. As of the adoption of this Division IV, there is no
16 avenue to conserve individuals in a supportive housing environment that provides wraparound services
17 to those individuals.

18 (d) S.B. 1045 (Housing Conservatorship for Persons with Serious Mental Illness and Substance
19 Use Disorders), codified at Chapter 5 of Part 1 of Division 5 of the California Welfare and Institutions
20 Code, authorizes the counties of San Francisco, San Diego, and Los Angeles, to establish procedures
21 for the appointment of a conservator for a person who is incapable of caring for the person’s own
22 health and well-being due to a serious mental illness and substance use disorder, for the purpose of
23 providing the least restrictive and most clinically appropriate alternative needed for the protection of
24 the person.

1 (e) The Department of Public Health (“DPH”), the Human Services Agency (“HSA”), and the
2 Department of Homelessness and Supportive Housing (“HSH”) developed a plan (“the Housing
3 Conservatorship Plan”) to implement Chapter 5 of Part 1 of Division 5 of the California Welfare and
4 Institutions Code, in consultation with representatives of disability rights advocacy groups, a provider
5 of permanent supportive housing services, the county health department, law enforcement, labor
6 unions, and staff from hospitals located in San Francisco. The Housing Conservatorship Plan is
7 available in Board of Supervisors File No. 181042.

8 (f) As required by S.B. 1045, as codified in subsection (b)(2) of Section 5450 of the California
9 Welfare and Institutions Code, the Board of Supervisors held public hearings on May 13, 2019, and
10 May 20, 2019, where staff from DPH, HSA, and HSH presented the Housing Conservatorship Plan to
11 the Board of Supervisors, and provided testimony concerning the available resources for the
12 implementation of Chapter 5 of Part 1 of Division 5 of the California Welfare and Institutions Code.
13 Based on materials and testimony presented at the hearing, the Board of Supervisors finds that the
14 services set forth in subsection (b)(2) of Section 5450 of the California Welfare and Institutions Code
15 are available in, at a minimum, sufficient quantity, resources, and funding levels to serve the identified
16 population that the Board of Supervisors intends to serve in connection with the implementation of the
17 Housing Conservatorship Program.

18 (g) The City finds that no voluntary mental health program serving adults, no children’s mental
19 health program, and no services or supports provided in conservatorships established pursuant to
20 Division 4 (commencing with Section 1400) of the California Probate Code or conservatorships
21 established pursuant to Chapter 3 (commencing with Section 5350) of the California Welfare and
22 Institutions Code), including availability of conservators, will be reduced as a result of implementation
23 of the Housing Conservatorship Program.

24
25 **SEC. 4132. DEFINITIONS.**

1 Terms not defined in this Division IV shall have the meaning attributed to them in Section 5452
2 of the California Welfare and Institutions Code, as may be amended from time to time.

3 “Care Team” has the meaning set forth in Section 4113 of the Health Code, as may be
4 amended from time to time.

5 “City” means the City and County of San Francisco.

6
7 **SEC. 4133. AUTHORIZATION OF THE HOUSING CONSERVATORSHIP PROGRAM.**

8 (a) The City authorizes the implementation of Chapter 5 (commencing with Section 5450) of
9 Part 1 of Division 5 of the Welfare and Institutions Code through the establishment of the Housing
10 Conservatorship Program, as provided in this Division IV.

11 (b) The purpose of the Housing Conservatorship Program is to provide the least restrictive and
12 most clinically appropriate alternative needed for the protection of a person who is incapable of caring
13 for the person’s own health and well-being due to a serious mental illness and substance use disorder,
14 as evidenced by frequent detention for evaluation and treatment pursuant to Section 5150 of the
15 California Welfare and Institutions Code (“Section 5150”). If the court determines that the person
16 needs to be moved from the person’s current residence, the placement shall be in supportive community
17 housing that provides wraparound services, such as onsite physical and behavioral health services,
18 unless the court, with good cause, determines that such a placement is not sufficient for the protection
19 of that person.

20 (c) The procedures for establishing, administering, and terminating a conservatorship under
21 this Division IV shall be as set forth in Chapter 5 of Part 1 of Division 5 of the California Welfare and
22 Institutions Code.

23 (d) The San Francisco Public Conservator is designated to provide conservatorship
24 investigations as set forth in this Division IV, and those investigations shall comply with the
25 requirements of Chapter 5 of Part 1 of Division 5 of the California Welfare and Institutions Code.

1 (e) The San Francisco Public Conservator may appoint a conservator of the person for a San
2 Francisco resident who is incapable of caring for the person's own health and well-being due to a
3 serious mental illness and substance use disorder, as evidenced by frequent detention for evaluation
4 and treatment pursuant to Section 5150.

5 (f) A Housing Conservatorship pursuant to this Division IV shall not be established if a
6 conservatorship or guardianship for the person exists under Division 4 (commencing with Section
7 1400) of the California Probate Code or under Chapter 3 (commencing with Section 5350) of the
8 California Welfare and Institutions Code.

9 (g) The following professionals may recommend an evaluation for Housing Conservatorship to
10 the Public Conservator or the Care Team upon a determination that a person in the professional's
11 care is incapable of caring for the person's own health and well-being due to a serious mental illness
12 and substance use disorder, as evidenced by frequent detention for evaluation and treatment pursuant
13 to Section 5150:

14 (1) The Sheriff, or the Sheriff's designee;

15 (2) The Director of the Department of Public Health, or the Director's designee;

16 (3) The Director of the Human Services Agency, or the Director's designee; or

17 (4) The professional person in charge of an agency providing comprehensive evaluation
18 or a facility providing intensive treatment.

19 (h) Before the Public Conservator conducts an evaluation of eligibility for a Housing
20 Conservatorship, the Care Team shall work with the individual who has been recommended
21 for evaluation to maximize engagement in voluntary treatment, as set forth in Section 4134, as
22 a preferred alternative to a Housing Conservatorship, and the City shall make a documented
23 offer of intensive case management, mental health services, substance use treatment,
24 placement in a clinically appropriate treatment program, and upon discharge from such
25

1 program, placement in permanent housing that is clinically appropriate for the individual, as
2 determined upon placement.

3 (hi) If the Public Conservator, upon conducting an evaluation for Housing Conservatorship,
4 finds that the person meets the criteria for Housing Conservatorship, that the City has made a
5 documented offer of intensive case management, mental health services, substance use
6 treatment, placement in a clinically appropriate treatment program, and upon discharge from
7 such program, placement in permanent housing that is clinically appropriate for the individual,
8 as determined upon placement, and that the Housing Conservatorship is the least restrictive
9 alternative, the officer shall petition the Superior Court of San Francisco to establish a Housing
10 Conservatorship.

11
12 **SEC. 4134. MAXIMIZING ENGAGEMENT IN VOLUNTARY TREATMENT.**

13 (a) Referral of an individual to the Public Conservator for evaluation of eligibility for a
14 Housing Conservatorship provides three key opportunities to engage the individual in
15 voluntary treatment:

16 (1) Immediately after the referral and before evaluation begins;

17 (2) Immediately after the Public Conservator confirms the individual's eligibility
18 for a Housing Conservatorship, but before the filing of a petition; and

19 (3) After the filing of a petition, but before the hearing on the petition.

20 (b) At each of the opportunities listed in subsections (a)(1)-(3) of this Section 4134,
21 the Care Team shall make every attempt to engage the referred individual in voluntary
22 treatment.

23 (c) The Care Team also shall ensure that individuals who are determined to not meet
24 the eligibility criteria for a housing conservatorship are evaluated for, and invited to engage in,
25 voluntary mental health services and substance use treatment.

1
2 **SEC. 41345. UNDERTAKING FOR THE GENERAL WELFARE.**

3 In enacting and implementing this Division IV, the City is assuming an undertaking only to
4 promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an
5 obligation for breach of which it is liable in money damages to any person who claims that such breach
6 proximately caused injury.

7
8 **SEC. 41356. SUNSET DATE.**

9 This Division IV shall expire by operation of law on December 31, 2023, unless the Legislature
10 has amended Chapter 5 of Part 1 of Division 5 of the Welfare and Institutions Code to extend the
11 authorization of local housing conservatorship programs beyond that date. If Chapter 5 is amended to
12 extend beyond December 31, 2023, but to remain in effect only until a later date certain, on which date
13 it is repealed, this Division IV shall expire by operation of law on that later date certain. In either
14 event, upon expiration of this Division IV by operation of law, the City Attorney shall cause Division IV
15 to be removed from the Health Code.

16
17 Section 2. Division III of Article 41 of the Health Code is hereby amended to revise
18 Section 4121, to read as follows:

19
20 **SEC. 4121. DESIGNATION OF CITY ATTORNEY.**

21 The City Attorney is designated to represent the county in the following proceedings:

22 (a) Judicial proceedings authorized by Article 9 of Chapter 2 of Division 5 of the
23 California Welfare and Institutions Code (“The Assisted Outpatient Treatment Demonstration
24 Project Act of 2002”); *and*

1 (b) ~~Beginning January 1, 2019, j~~Judicial proceedings authorized by Chapter 3 of Division
2 5 of the California Welfare and Institutions Code (“Conservatorship for Gravely Disabled
3 Persons”); provided, however, that the City Attorney is not designated to represent the county
4 in such proceedings where they concern a person who meets the definition of “gravely
5 disabled” as set forth in subsection (h)(1)(B) of Section 5008 of the California Welfare and
6 Institutions Code; and

7 (c) Judicial proceedings authorized by Chapter 5 of Part 1 of Division 5 of the California
8 Welfare and Institutions Code (“Housing Conservatorship for Persons with Serious Mental Illness and
9 Substance Use Disorders”).

10
