

[Funding Reallocation - Our City, Our Home Fund - Homelessness Gross Receipts Tax - Services to Address Homelessness - \$13,676,000]

Ordinance reallocating approximately \$13,676,000 in unappropriated earned interest revenues from the Our City, Our Home Fund to allow the City to use such revenues from the Homelessness Gross Receipts Tax for certain types of services to address homelessness; temporarily suspending the limit on funding for short-term rental subsidies; directing the City to provide additional notice regarding eligibility for short-term rental subsidies; and finding that these changes are necessary to achieve the purposes of the Our City, Our Home Fund pursuant to Business and Tax Regulations Code, Section 2811.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Background and Findings.

(a) In November 2018, the voters approved Proposition C and imposed a Homelessness Gross Receipts Tax to fund programs to prevent and address homelessness. As stated in the measure, "San Francisco is experiencing a housing crisis of historic proportions that has led to a major humanitarian and public health crisis in large-scale homelessness for which the City has insufficient resources to address."

(b) Recognizing the scope of the crisis, the voters identified a range of purposes for the tax, the proceeds of which the City deposits in the Our City, Our Home ("OCOH") Fund.

1 Among other things, the tax is intended to help the City house the homeless; expand the
2 number of shelter beds; eliminate waiting periods for shelter; decrease the visible presence of
3 homeless people and tent encampments on City streets; move unhoused people into stable
4 housing; fund legal assistance, rent subsidies, mental health services, and substance abuse
5 services to keep people housed; reduce overall costs for the City; and fund certain specified
6 programs. The purposes of November 2018 Proposition C are codified at Business and Tax
7 Regulations Code Section 2802.

8 (c) To achieve these purposes, Business and Tax Regulations Code Section 2810
9 identifies four eligible programs that the City may spend OCOH funds on – Permanent
10 Housing, Homeless Shelter, Homelessness Prevention, and Mental Health Treatment for
11 Homeless Individuals – and identifies a maximum or minimum percentage of the total OCOH
12 Fund balance that each eligible program receives. Section 2810 further states that OCOH
13 funds shall be appropriated subject to the budgetary and fiscal provisions of the Charter, and
14 that any amounts remaining in the OCOH Fund at the end of a fiscal year shall be held in the
15 OCOH Fund to be added to amounts available for appropriation on eligible programs in any
16 future year. In Section 2811, the voters also authorized the Board of Supervisors to amend
17 the measure, by ordinance, by a two-thirds vote and only to further the findings and intent
18 summarized above in subsection (b). In 2023, the Board of Supervisors acting pursuant to
19 Section 2811 adopted Ordinance No. 185-23, to reallocate certain unappropriated earned
20 interest that had unexpectedly accrued while expenditures were on hold while the City was
21 successfully defending the measure against legal challenge, for the purpose of enhancing
22 existing OCOH programs in Fiscal Years 2023-24 and 2024-25.

23 (d) The City is allocating funds to eligible programs under Section 2810 and
24 Ordinance No. 185-23. And yet, the Fund has continued to earn interest revenue, and
25 Ordinance No. 185-23 did not address all of the additional interest earnings that became

1 available, and as they accrue, hundreds of families with children under age 18 are
2 unsheltered or living in their vehicles without adequate emergency shelter and housing. This
3 includes families headed by Transitional Age Youth (“TAY”) parenting young children. As San
4 Francisco recovers from the economic impacts of the COVID-19 pandemic, it faces a growing
5 number of homeless families with children in need of emergency shelter and short-term
6 housing assistance. The San Francisco 2024 Point-In-Time (“PIT”) Count showed a 94%
7 increase in families experiencing homelessness compared to the 2022 PIT count, with a third
8 of these families unsheltered or sleeping in vehicles. The Board of Supervisors finds that to
9 achieve the purposes of November 2018 Proposition C, the City must meet the crisis where it
10 is currently most acute, and hereby approves, for the next fiscal year only, a lifting of the cap
11 on short-term rental subsidies of five years or less with a requirement that the City provide
12 recipients additional notice that they may seek a renewal of subsidies up to the five-year limit,
13 and a further reallocation of unappropriated and future interest revenues so that the City can
14 spend these interest revenues during the next year on family shelter and family housing.

15 (e) In approving this temporary reallocation of interest earnings and lifting of certain
16 spending caps for the next fiscal year, the Board of Supervisors does not intend to otherwise
17 adjust the percentage allocations for OCOH expenditures in future fiscal years. Further, this
18 ordinance authorizes the reallocation of interest earnings which are in addition to the amounts
19 that the Board of Supervisors reallocated under Ordinance No. 185-23, without modifying the
20 City’s authority under Ordinance No. 185-23. These reallocations are intended to supplement
21 and enhance the effectiveness of the programs already funded on recommendation of the
22 OCOH Oversight Committee.

1 Section 2. Under the authority in Business and Tax Regulations Code Section 2811,
2 for Fiscal Year 2024-2025, the expenditures under Section 2810 shall remain unchanged
3 except as follows:

4 (a) Expenditures on short-term rental subsidies may exceed the percentage
5 specified in Business and Tax Regulations Code subsection 2810(b)(3)(A)(i), and the City
6 shall notify recipients of these subsidies that they may be eligible to receive subsidies for up to
7 a total of five years; and,

8 (b) Up to an additional \$13,676,000 of interest earned in the OCOH Fund during
9 Fiscal Years 2024-25 and prior fiscal years, which would otherwise have accrued to the
10 categories of general permanent housing (\$4,853,000), permanent housing for youth under
11 age 30 (\$1,765,000), homelessness prevention (\$2,647,000), and mental health
12 (\$4,411442,000) shall instead be allocated to the shelter and the housing for families
13 categories as follows:

14 (1) \$6,935,000 to shelter in Fiscal Year 2024-25; and

15 (2) \$6,741,000 to permanent housing for families in Fiscal Year 2024-25.

16
17 Section 3. Effective Date. This ordinance shall become effective 30 days after
18 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the
19 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board
20 of Supervisors overrides the Mayor's veto of the ordinance.

21
22 Section 4. Undertaking for the General Welfare. In enacting and implementing this
23 ordinance, the City is assuming an undertaking only to promote the general welfare. It is not
24 assuming, nor is it imposing on its officers and employees, an obligation for breach of which it
25

1 is liable in money damages to any person who claims that such breach proximately caused
2 injury.

3
4 Section 5. Severability. If any section, subsection, sentence, clause, phrase, or word of
5 this ordinance, or any application thereof to any person or circumstance, is held to be invalid
6 or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not
7 affect the validity of the remaining portions or applications of the ordinance. The Board of
8 Supervisors hereby declares that it would have passed this ordinance and each and every
9 section, subsection, sentence, clause, phrase, and word not declared invalid or
10 unconstitutional without regard to whether any other portion of this ordinance or application
11 thereof would be subsequently declared invalid or unconstitutional.

12
13 Section 6. No Conflict with Federal or State Law. Nothing in this ordinance shall be
14 interpreted or applied so as to create any requirement, power, or duty in conflict with any
15 federal or state law.
