18 Section 1. Findings.

19 (a) The Planning Department has determined that the actions contemplated in this  
20 ordinance comply with the California Environmental Quality Act (California Public Resources  
21 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
22 Supervisors in File No. 190731 and is incorporated herein by reference. The Board affirms  
23 this determination.

24 (b) On July 11, 2019, the Planning Commission took action to waive its authority to  
25 hear this file. Said waiver is on file with the Clerk of the Board of Supervisors in File No.  
190731, and is incorporated herein by reference. The Board hereby finds, in Resolution No.

1 \_\_\_\_\_, ~~adopted findings~~ that the actions contemplated in this ordinance are consistent,  
2 on balance, with the City's General Plan, for the following reasons: consistent with Policy 1.2  
3 of the Commerce and Industry Element, it assures that all commercial and industrial uses  
4 meet minimum, reasonable performance standards; consistent with Policy 1.3 of the  
5 Commerce and Industry Element, it facilitates the location of commercial and industrial  
6 activities according to a generalized commercial and industrial land use plan within the  
7 boundaries of the North Beach Neighborhood Commercial District; consistent with Policy 1.4  
8 of the Commerce and Industry Element, it furthers appropriate limits on commercial and  
9 industrial density within the North Beach Neighborhood Commercial District; consistent with  
10 Policy 2.1 of the Commerce and Industry Element, it facilitates the retention of existing  
11 commercial and industrial activity and attracts new such activity to the city by prolonging the  
12 period before which a previously-authorized use is deemed abandoned; it is consistent with  
13 Policy 2.3 of the Commerce and Industry Element because it maintains a favorable social and  
14 cultural climate in the city and in the North Beach Neighborhood Commercial District, in  
15 particular, in order to enhance its attractiveness; and, further, it is consistent with the eight  
16 priority policies of Planning Code Section 101.1, because it would enhance a diverse  
17 economic base and protect industry from displacement, it would preserve existing  
18 neighborhood-serving retail uses and enhance future opportunities for resident employment in  
19 and ownership of such businesses. The ordinance would have no effect on other policies set  
20 forth in the City's General Plan. The Board adopts these findings as its own. A copy of said  
21 Resolution is on file with the Clerk of the Board of Supervisors in File No. \_\_\_\_\_, and is  
22 incorporated herein by reference.

23 (c) Pursuant to Planning Code Section 302, the Board of Supervisors finds from the  
24 facts presented before the Land Use and Transportation Committee on July 22, 2019 that the  
25 actions contemplated in this ordinance will serve the public necessity, convenience, and

1 welfare for the reasons set forth in subsection (b) above, ~~in the Planning Commission~~  
2 ~~Resolution referenced above.~~

3
