24 Section 1. Findings.

25 (a) The Inflation Reduction Act of 2022, Pub. L. No. 117-169, 136 Stat. 1818 ("IRA") of
the 117th Congress of the United States of America appropriated \$1.5 billion to state and

1 private forestry conservation Programs, and to the Urban and Community Forestry Program
2 (“Forestry Program”) to provide multiyear, programmatic, and competitive grants for tree
3 planting and related activities, with a priority for projects that benefit underserved populations
4 and areas.

5 (b) On April 12, 2023, under the IRA, the Urban and Community Forest Program of the
6 United States Department of Agriculture’s Forest Service released a Notice of Funding
7 Opportunity.

8 (c) On June 4, 2023, the Department of Public Works (“Public Works”) submitted an
9 Urban and Community Forestry Grant application for the Justice, Jobs and Trees: A San
10 Francisco Climate Solution project, which proposes to plant and establish 3,500 street trees
11 over a five year period, with specific goals of increasing tree canopy coverage in
12 disadvantaged communities to mitigate extreme heat and other climate change impacts, and
13 promoting workforce development in the urban forestry sector in those same communities (the
14 “Project”), efforts that will advance crucial goals outlined in the 2010 State of California Forest
15 Action Plan (last updated in 2020), the 2015 San Francisco Urban Forest Plan, and the 2021
16 San Francisco Climate Action Plan.

17 (d) On September 14, 2023, USDA notified the City and County of San Francisco of a
18 \$12,000,000 award to fund the Project from July 1, 2024 through June 30, 2029.

19
20 Section 2. Authorization to Accept and Expend Grant Funds.

21 (a) The Board of Supervisors hereby authorizes Public Works to retroactively accept
22 and expend USDA funds in the amount of \$12,000,000 to carry out the aforementioned
23 Project.

24 (b) The Board of Supervisors hereby authorizes the Director of Public Works, or the
25 Director’s designee, to conduct negotiations and to execute and submit all documents that

1 may be necessary for the completion of the aforementioned Project including, but not limited
2 to, applications, agreements, amendments, and payment requests.

3 (c) The Board of Supervisors hereby certifies that Public Works has or will have
4 sufficient funds to operate and maintain the Project; that funds under the jurisdiction of San
5 Francisco Board of Supervisors are available to begin the project; and that Public Works will
6 expend grant funds prior to June 30, 2029.

7 (d) The Board of Supervisors hereby authorizes Public Works to maximize use of
8 available grant funds on program expenditures through selection of the de minimis indirect
9 cost rate of 10% of modified total direct costs as allowed under the applicable federal
10 regulations.
