15 Be it ordained by the People of the City and County of San Francisco:

16 Section 1. Chapter 39 of the Administrative Code is hereby amended by revising
17 Sections 39.2, 39.3, and 39.4, to read as follows:

18 **SEC. 39.2. INTENT AND PURPOSE.**

19 (a) It is the intent and purpose of the City to expressly give public housing households
20 a right to revitalized housing after temporary relocation or displacement as a result of a Public
21 Housing Development Project so long as the household is not in eviction processes, having
22 been duly and properly served with a summons and complaint by the SFHA *or its agents*, or
23 has not been evicted from a unit that is managed by the SFHA *or its agents*. ~~In order to~~To further
24 such purpose, it is the intent of the City that, upon notification of eligibility for a revitalized
25 housing unit, the household shall not be subject to any additional screening by the landlord or

1 someone acting under the landlord's authority.

2 (b) Additionally, it is the intent and purpose of the City to protect the relocation rights
3 of such households. ~~In order to~~To further such purpose, it is the intent of the City to require that
4 any relocation plans produced by the project sponsor of a Public Housing Development
5 Project must be reviewed by the City department providing the Financial Assistance, as well
6 as to establish the San Francisco Residential Rent Stabilization and Arbitration Board as an
7 independent third party to review relocation claims and make advisory recommendations
8 thereon to the SFHA for its final determination. This Chapter 39 shall be construed consistent
9 with the intent and purpose as stated ~~above~~in this Section 39.2, and in accordance with
10 applicable state and federal law.

11 (c) HOPE SF, the City's signature anti-poverty and equity initiative, is committed to
12 breaking intergenerational patterns related to the insidious impacts of trauma and poverty, and to
13 creating economic and social opportunities for current and former public housing residents through
14 deep investments in education, economic mobility, health, and safety. The HOPE SF master plans
15 consist of a mixed-use, mixed-income development with several different components: (1) construction
16 of public infrastructure; (2) demolition and one-for-one replacement of all public housing units; (3)
17 development of new private affordable housing on affordable parcels; (4) development of private
18 residential projects on market rate parcels; and (5) development of community improvements (e.g.,
19 open space areas, community facilities). In addition to protecting the relocation rights of current
20 HOPE SF residents, it is critical to minimize permanent displacement of former HOPE SF residents
21 and provide an opportunity for both current and former HOPE SF residents to live in and benefit from
22 their revitalized community. Therefore, it is a necessary and important public purpose for the City to
23 provide current and former HOPE SF residents of a Former Public Housing Development a right to,
24 and the highest priority for, an affordable housing unit or other financially subsidized unit in a
25 revitalized housing development under HOPE SF.
